## Take The Stress Out Of These School Holidays

If you are heading away this September holiday we encourage you to be prepared. No one likes the inconvenience, delay or expense caused by a roadside mishap.

By planning ahead, you can take the stress out of your trip by following these simple but important tips to help keep you safe on the road and ensure your journey is more enjoyable:

- Keep your driver's licence, insurance and car registration documents with you at all times;
- Ensure you have roadside assistance and check what it entitles you to;
- Make sure your car is roadworthy and all services are up-to-date;
- Top-up the engine coolant and ensure the oil and water are at the correct levels;
- Check tyre pressure and tread;
- Ensure brake lights and indicators are working;
- While driving keep an eye on your temperature gauge. Overheating can potentially lead to engine failure;
- Stick to the speed limits and never drive while under the influence of alcohol or drugs or while talking on your mobile phone;
- If you are feeling tired: Stop, Revive, Survive.

Having adequate motor insurance in place will also provide extra peace of mind should the unthinkable happen. It is important to ensure that your insurance policy is up-to-date and that you are covered in the event of an accident, breakdown or even theft. Wide Bay Australia offers a range of Allianz insurance options designed to protect you; from comprehensive cover, through to property damage with or without fire and theft cover.

Speak to our friendly staff about the cover that is right for you by calling us on 1300 943 322 or drop into your local branch.
