LOAN REFERRAL PROGRAM

Auswide Bank's 'Loan Referral Program' is an incentive program designed to benefit organisations (such as businesses & not-for-profit organisations such as sporting and other clubs) who provide referrals to Auswide Bank.

Under the program, Auswide Bank will pay a 'Financial Benefit' to organisations which refer new loan customers where Auswide Bank subsequently provides credit approval and funding of a new loan. This exciting initiative provides mutual benefits to both Auswide Bank and the organisation acting as Loan Referral Partners. Your organisation has the opportunity to supplement its activities through this new source of income.

WHAT WILL AUSWIDE BANK PAY YOU?

Auswide Bank will pay an amount of \$150 or 0.30% of the total loan amount (whichever is greater) per new approved and funded residential home loan or personal loan.
