Terms and Conditions

Our Terms and Conditions contain important information on Auswide Bank Ltd's accounts and banking services for customers choosing to bank with us.

They consist of these documents:

- Guide to Banking Services (this one)
- + Guide to Privacy Policy
- + any other "terms and conditions" we may give you in respect to your particular account (eg. fees and charges information)

You should read these documents together before making a decision to open an account with us, acquire any banking services or make any transactions.

This information has been designed to effectively help you:

- decide if our accounts and banking services meet your needs
- compare all the features, terms, conditions, fees and charges of our accounts and banking services with those of others

In issuing these Terms and Conditions Auswide Bank hasn't considered your particular personal objectives, financial situation or needs, so it's possible that a facility may not suit you specifically.

Updating these Terms and Conditions

The information in these Terms and Conditions is current as at the effective date and may change from time to time. Where required by law or where we are participating in a Code of Conduct, we will notify you in advance of any changes in accordance with the requirements of that law or code.

You can also find out more about our current Terms and Conditions by:

- talking to one of our helpful consultants at any branch or phone **1300 138 831**
- looking online at www.auswidebank.com.au

Auswide Bank's BANKING SERVICES

Important Information

We recommend you keep all this information in case you want to refer to it at a later date.

We have tried to keep this information as brief and as easy to understand as possible. Many words that have a particular financial banking or legal meaning are described under Definitions. Headings used are a guide only. To find specific information quickly please refer to the table of contents.

Any reference in this guide to any law also includes any regulation, by-law or ordinance relating to that law and any amendments or replacements of that law.

Where applicable, the ePayments Code applies to your accounts and our services.

1. BANKING SERVICES TERMS AND CONDITIONS

1.1 Changes to these terms and conditions

Subject to the law, we can change, add to, delete or vary these Terms and Conditions at any time. For example, we can change:

- interest rates and the way we calculate interest
- fees and charges
- when we charge or pay interest

When we change the Terms and Conditions we will give you the period of notice set down by law, the ePayments Code or any other applicable code. If no period of notice is needed we can make changes, variations, additions or deletions immediately and you might not be told of these before they happen. In addition, advance notice may not be given where a change has to be made to restore or maintain the security of our systems or individual accounts, products or services.

We can give you notice in any way permitted by law or a code including:

- advice on your statement
- a notice on electronic equipment
- press ads
- a letter

1.2 Confidentiality

By law, we generally keep many details of your account (including your transactions and balance) confidential. Subject to law, we can release details of your account:

- where disclosure is compelled by law
- where there is a duty to the public to disclose
- where it protects our interests to do so
- where disclosure is made with your express or implied consent

1.3 Privacy

We comply with the Australian Privacy Principles as incorporated into the Privacy Act 1988.

Auswide Bank's Privacy Policy will be provided to you as part of your Terms and Conditions.

You may also request a copy by calling 1300 138 831 during normal office hours or calling into one of our branches. Our Privacy Policy may also be viewed at www.auswidebank.com.au

1.4 Financial Claims Scheme

The Financial Claims Scheme (FCS) is an Australian Government scheme that provides protection and quick access to deposits in banks, building societies and credit unions in the unlikely event that one of these financial institutions fails. Under the FCS, certain deposits are protected up to a limit of \$250,000 for each account holder at any bank, building society, credit union or other authorised deposit-taking institution (ADI) that is incorporated in Australia and authorised by the Australian Prudential Regulation Authority (APRA). The FCS can only come into effect if it is activated by the Australian Government when an institution fails. Once activated, the FCS will be administered by the Australian Prudential Regulation Authority (APRA). In an FCS scenario, APRA would aim to pay the majority of customers their protected deposits under the Scheme within seven calendar days.

The FCS limit of \$250,000 applies to the sum of an account holder's deposits under the one banking license. Therefore, all deposits held by an account holder with a single banking institution must be added together towards the \$250,000 FCS limit, and this includes accounts with any other banking businesses that the licenced banking institution may operate under a different trading name. For the purposes of determining the FCS limit, Auswide Bank confirms that it is a single banking institution and operates no other licenced banking institutions under a different trading name.

Information on the FCS is available on the FCS website – www.fcs.gov.au. A list of Auswide Bank deposit accounts covered by the FCS is available on request.

1.5 If you have a complaint

We can help you with any problems you might have with our products and services, including any electronic banking service. Most problems can be solved by simply talking to our staff either at your local branch or our Head Office on 1300 138 831. If there is still a problem, you may be asked to put your problem in writing for referral to Auswide Bank Management. We will let you know if we need more time.

If you raise an issue with us, we'll address it as quickly as possible. In fact, most complaints are resolved within one business day. In nearly all cases, you can expect your concern to be resolved within five business days. In the event it takes us longer than five days to resolve or investigate, we'll ensure that you're regularly updated.

If you are dissatisfied with the outcome of your complaint or the way in which it was handled please let us know. Should the complaint remain unresolved and become a dispute, we will inform you of your right to contact an external dispute resolution scheme or other relevant organisations. ~

For further information on our complaints handling procedure, please call us on 1300 138 831 or contact your local branch. Auswide Bank's Internal Dispute Resolution Process is in compliance with the Financial Services Reform Act 2001 (Regulatory Guide) 165.

~ We are a member of the following external dispute resolution scheme: Credit and Investments Ombudsman (CIO). PO Box A252, Sydney South, NSW 1235 - phone 1800 138 422, fax (02) 9273 8440.

1.6 Acceptance

You accept, and agree to be bound by the conditions and any additional conditions when you either:

- agree to them in writing
- initiate or make a transaction (including a transaction using a remote electronic access method)
- sign or use a debit card, PIN, telephone or internet banking Access Code or other secret code or access method or passbook we give you
- draw or sign a cheque on your account
- sign and return our forms for opening an account, or
- use our telephone or internet banking services or other remote electronic access method/s.

1.7 Additional conditions

We may also provide you with additional information and terms and conditions that relate to specific accounts and services we provide. For example, if you use our internet banking service you will receive additional information electronically when you visit the internet banking site.

2. ACCOUNT TERMS AND CONDITIONS

2.1 Terms and conditions

This section sets out the general terms and conditions that apply to our accounts. If we give you any additional conditions in writing that differ from these general terms and conditions then the additional conditions will apply to the extent they differ. For specific terms and conditions on a particular account type (eg. features, fees and charge etc) please refer to the Terms and Conditions for the account.

2.2 Opening an account

Providing our account opening requirements are satisfied, you can open an account in the name of any person including a child. You can also open accounts in the name of a company, body corporate, club, association, business etc or as trustee for any party. An account must be opened in the name of the correct legal entity. You need to complete both our Client (if you're not already an accountholder) and Account Application form and give us any information we require about you.

We can choose not to open an account without giving you a reason.

2.3 Identity

We are required under the Anti-Money Laundering and Counter-Terrorism Financing (AML/CTF) Act 2006 to confirm the identity of all accountholders, entities and signatories on all new accounts. If we cannot be sure of your identity, we may not be able to open your account or, if we do you may not be able to do certain transactions on your account.

We can request you provide additional identification at a later date should it be deemed necessary.

2.3.1 Individual customers

You must advise us of your full name, date of birth and residential address. You will then be required to provide original or certified copies of relevant "acceptable identification documents" so that we can confirm same.

2.3.2 Business/other entities

In addition to signatories providing their own identification, we are required to collect (prior to opening the account) original or certified copies of relevant "acceptable identification documentation" in relation to your business/company or entity. In addition we will require details of your entity's principal address/registered office etc. and the nature of your business/entity's activities.

An ASIC Search is required prior to opening company and business accounts. A fee will apply for this search.

We can provide you with a list of acceptable identification documents.

2.4 Operation of a joint account

Joint accounts can be opened by two or more persons or entities. Before you open a joint account you should understand that:

- each of you is liable for the debts on the account
- if the account is overdrawn each accountholder is liable to pay us the overdrawn amount
- if any joint accountholder dies, any funds in the account belong to the remaining joint owners

Joint accountholders can choose whether:

- one or more of you is allowed to sign on your own to operate the account (either to operate)
- two or more of you must sign jointly (both to sign)
- in the case of three (3) or more to sign on the account, all of you may sign

A debit card is only available on a joint account where the signature authority is either to operate. We, upon request from joint accountholders, shall issue a separate debit card having its own PIN for each joint owner.

You may change how you can operate on your account at any time, by completing our Account Maintenance form, or alternatively notifying us in writing.

2.4.1 To stop operating a joint account

The joint account cannot be accessed if any one of the account signatories request in writing to stop transactions and we agree. After that, all account signatories must agree in writing to any further transactions being done by any accountholder or authority to operate (except for deposits).

For the account to be closed, all accountholders must return all debit cards and unused cheques to us. Until these are returned, all accountholders, together and as individuals, are responsible for all transactions on the account, interest charges, fees and charges. This means that each accountholder could be liable for the whole of any amount that is owed to us on the account.

2.5 Allowing another person to use your account (*Authority to Operate*)

If you tell us in writing, we will allow another person to sign on your account as an Authority to Operate (ATO). You will be liable for all debts incurred by that person using your account. Those debts include any overdrawn amounts on those accounts.

If you authorise another person to use your account, that person can do most things that you could do yourself. For example, they can:

- perform deposits, withdrawals and transfers on your account
- authorise us to make electronic periodical payments on your account
- obtain debit card on your account
- have access to your account through telephone, internet and mobile banking
- draw cheques on your account
- stop, or remove a stop on cheques on your account
- get any information from us about your account
- close your account

The authorised person will not be able to alter your personal client details or authorise any other person to operate on your account without your consent.

You can cancel the authority at any time by all accountholder/s notifying us in writing unless your specific prior instruction was all accountholders and signatories (eg. accountholder/s and Authority to Operate) must sign for withdrawals and making amendments to the account. You will however be liable for any transactions made prior to the authority being cancelled and any future dated payments established by the person you authorised prior to the cancellation of the authority. You should ensure any payments that you wish to be discontinued are cancelled.

2.6 Authority to access your account information (*Authority to Access*)

You may make special arrangements to allow other persons to access certain account information when required (eg. office employees on business accounts accessing account balances) as an Authority to Access (ATA).

This authority will not extend to performing debit transactions or altering account details.

This authority can be revoked at anytime in writing by the authorised signatory/s.

2.7 Power of Attorney

You can appoint a person to be your attorney under a power of attorney to transact on your account. We must have an acceptable, certified copy of the original Power of Attorney before an attorney can access an account.

We are not responsible for the attorney or the way an attorney accesses an account. We will require the attorney to become a client (if not already), provide sufficient acceptable identification and read and sign a Power of Attorney Continuing Deed of Declaration.

However, you must still advise us as soon as possible if you cancel/ revoke the power of attorney. You appoint this person at your own risk. You are responsible for any transaction the person makes on your account, even if you don't know about them. You must not give your debit card, PIN, telephone, internet or mobile banking access code to the appointed person or anyone else. The Power of Attorney can apply for their own debit card, telephone, internet and mobile banking.

2.8 Formal trust accounts

If you are the trustee of an account, you:

- must act according to the terms of the trust and for the benefit of the trust and its beneficiaries
- must not misuse the trust funds or use any rights you have against the trust funds
- agree to these terms and conditions as trustee and in your own personal capacity

All transactions must follow the trust's guidelines. You must be authorised as trustee to agree to these terms and conditions and any additional conditions.

2.9 Mortgage offset accounts

If you are eligible for a mortgage offset account, you will not be entitled to, and will not be paid interest on, that account. The closing daily balance of your mortgage offset account will be fully (or partially)

offset against the closing daily balance of your home loan and the benefit (if any) applied to your home loan interest each month.

2.10 Deposits

Deposits made to accounts are not available until we receive and process them and the funds are cleared.

You can deposit funds to your account in one of the following ways:

- by cash, cheque or money order at any of our branches or agencies, but you must supply your account details
- by automatic direct debit request from another financial institution
- by automatic direct credit (eg. government payments, payrolls, RTGS payments etc) but you should organise the direct credit with the organisation who will be making the payments
- by cash or cheque at any "Auswide Bank" ATM that accepts deposits
- by cash or cheque at any Westpac Bank (please quote BSB 645646 and your XREF number) but you may have to pay a fee or charge to that bank through a special arrangement with Australia Post, our debit card holders are able to use their card to make deposits to their account at any Post Office displaying the Bank@Post logo
- by posting cheques or money orders with an accompanying completed deposit slip to us and sent to the following address: Auswide Bank, PO Box 1063 Bundaberg Qld 4670

The date we will deposit the cheque money order to your account will be the date we receive it.

2.11 Cheque deposits requiring endorsement

Where deposits are made to accounts by cheque, the cheque payee details will be confirmed to the account name in which the cheque is being deposited.

Should the cheque payee differ, we will require the cheque to be endorsed. The endorser's signature will need to be validated prior to us accepting the cheque for deposit. We reserve the right to refuse to accept a cheque where the endorsement cannot be validated to our satisfaction and where the true owner of the cheque cannot be established.

2.12 Cheque clearance times and special clearances

Every day we handle thousands of cheques deposited into accounts at branches, at our own Automatic Teller Machines or which are received by mail.

While there are no problems with the majority of cheques, some cheques are dishonoured for various reasons (including fraud, a lack of available funds in the account to be debited etc).

All cheques must be deposited to an account with us and will be passed through an accelerated cheque clearing system. During this time, funds from cheque deposits earn interest from the day of the deposit, however the funds will not be made available to you for withdrawal (either by cash, cheque or transfer) until the cheque deposited has been cleared by the clearance system.

After the clearance period, the funds will become available for withdrawal.

Note: we do not cash cheques.

However, if the cheque is dishonoured, either before or after you have accessed the funds, your account will be debited with the amount of the cheque.

It is then your responsibility to resolve the matter with the cheque-writer.

normal clearance period for cheque deposits

Local, Intrastate and Interstate Cheques - 3 business days from the date the cheque is banked to our bankers. Selected cheques deposited at branches may not be sent to the bank until the next working day. In this case, allow 4 business days. Our staff can confirm the clearance period of your cheque at the time of depositing.

Note: suspicious, damaged or mutilated cheques may require longer clearance periods. Agency deposits may require additional clearance period.

Cheques deposited via Bank@Post - 7 business days from the date the cheque is banked at Australia Post.

Overseas Cheques - 21 business days.

Note: overseas cheques sent on a Bill for Collection basis will only be available for withdrawal once our bankers have received proceeds of the cheque from the drawee bank.

Early Clearance - In the case of regular cheque deposits for your salary or wage you may request immediate access to these by special arrangement with us. Certain conditions apply.

We can also arrange for a “Bank Special Clearance” in cases where you require early clearance on a particular cheque, however, in most cases these cheques will still require a minimum of 2 business days for clearance. Special Clearances will incur a fee.

“Bank” and government cheques require normal clearance periods and are not automatically cleared immediately.

normal cheque clearance cycle

You receive a cheque		Business days
and deposit it to your account - we then send the cheque to our bankers who electronically forward the cheque overnight to the financial institution from where the cheque is to be paid		day 1
cheque is paid with the cheque writer’s account debited	OR cheque is dishonoured due to insufficient funds or another technical reason overnight - dishonour details are transferred to our bank	day 2
we await notification of - possible dishonour from bank	OR our bank forwards us an electronic dishonour notice - we debit your account for the amount of the cheque and a letter is mailed to you advising of the dishonour	day 3
funds deposited are made available to you for withdrawal		day 4

Note: an additional day’s clearance should be added to the above timeframe in cases where a cheque deposited with us is unable to be forwarded to our banker until the following business day.

2.13 Cheque dishonours

We will tell you if a cheque you deposit to your account has been dishonoured. The amount of the cheque will be debited from your account.

If you write a cheque and there is not sufficient funds in your account we may dishonour it and return it unpaid to the institution where it was banked.

2.14 Interest

Details of our current interest rates are available on our website www.auswidebank.com.au or by phoning 1300 138 831 or from any branch.

Interest rates are annual percentage rates calculated on the assumption of a 365 day year, unless otherwise stated in any additional conditions we give you.

Interest is calculated at the rate and in the manner we tell you, on the daily balance of your account. Interest is paid into your account at the times we specify. If a different way of calculating interest applies to your account, we will say this in the additional conditions we give you.

We pay interest on cheques from the date they are deposited unless the cheque is returned unpaid or dishonoured. No interest is paid on the amount of unpaid or dishonoured cheques.

Interest statements are available on our transaction, savings, and on-call investment accounts and term deposits showing interest paid to you by us, or on loans and lines-of-credit showing interest charged by us. Interest statements are available for both the current and previous financial year and can be obtained at any time over-the-counter at our branches or by contacting us in writing.

You may also review interest paid for the current and previous financial year using internet or phone banking.

2.15 Withdrawals

Withdrawals in our branches must be made on our withdrawal form or in the form of a letter from the authorised signatory/s. Withdrawals in our branches using a debit card may be made without needing to complete any forms, however you will be required to enter your PIN. You can also withdraw in other ways, for example at any ATM within Australia that accepts debit cards through EFTPOS or by mail to Auswide Bank, PO Box 1063, Bundaberg Qld 4670.

Withdrawal forms must be signed by the authorised signatory/s to the account. If the signatures do not match our records or the number of signatory/s is not in accordance with our records, we can refuse to process the withdrawal.

Withdrawals and transfers may also be made using a debit card at any Australia Post outlet displaying the Bank@Post logo.

2.16 Withdrawal limits

We can apply and vary a daily or periodic transaction limit on the number or value of withdrawals you make using different access methods on any one day. Limits on your account will not apply when a withdrawal is processed at one of our branches by one of our cashiers (except for cash withdrawals - refer Section 2.18 Cash Availability).

2.17 Cash availability

We can limit or vary the amount of cash you can withdraw from your account.

If you want to withdraw more than our standard cash limit at any time, you must let us know at least 24 hours in advance. You can tell us by contacting the branch where you wish to collect the cash, or by phoning 1300 138 831. This is because we do not hold large amounts of cash in our branches. We may charge a fee for this service.

You can withdraw up to our standard cheque limit without notice if you take the funds in the form of a “bank” cheque. We may charge a fee for this. Larger amounts above this limit can be arranged at your branch.

2.18 Auto-sweep

An auto sweep can be arranged to automatically transfer funds from nominated Auswide Bank transaction, savings or on call investment accounts in the event that you do not have sufficient cleared funds in a particular account to cover cheques written, direct debits from your account and external payments.

Up to 5 accounts can be nominated - with the auto-sweep checking each account in turn for sufficient cleared funds to transfer to your account. If the required amount is not available in the nominated accounts, a part amount will be debited from each account. However, if the full amount cannot be transferred, no sweep will occur. A fee may be applied to this service.

2.19 Debits from your accounts

Debits from your account may include:

- cash or cheque withdrawals
- government fees and charges (including bank account debit tax where applicable)
- any fees we charge and other institution’s fees we pass on to you
- any interest due
- any electronic funds transfer transactions (including RTGS payments)
- a direct debit authorised by you
- any transfers you make

(continued)

- BPAY® transactions
- other debit transactions and adjustments

If there is more than one deduction on any one day we decide the order in which these are made. You must pay all government fees and charges when they are due.

© Registered to BPAY Pty Ltd ABN 69 079 137 5182.13 Cheque dishonours

2.20 “Bank” cheques

You can arrange for a “bank” cheque at our branches to pay for goods and services. The amount of the cheque is debited immediately from your transaction, savings, investment, or line-of-credit access account. A fee will apply when you purchase a “bank” cheque.

If you use cheques regularly you may wish to consider applying for a cheque book.

Cheque payment services are available by arrangement with Westpac Banking Corporation ABN 33 007457141.

2.21 “Stop payments” on “bank” cheques

You can request for a “stop payment” to be placed on a “bank” cheque which has been drawn by us from funds held in your account, if the cheque is unpaid, by completing a “Bank Cheque Stop Payment” form.

However, as we are the drawer of the cheque and are liable for payment to the payee/third party, we are legally entitled to refuse your request to stop payment on the cheque.

Should we agree to stop the cheque, you will agree that at all times in the future to indemnify and hold us harmless against all actions, liabilities, proceedings, claims, costs and expenses that we may suffer, incur, or sustain in connection with, or arising in any way whatsoever out of your request that that payment be stopped.

If the cheque is made out to a third party, you will be required to obtain written consent from the third party to stop the cheque. If you are unable to obtain this consent, we will require you to hold funds in your account equal to the amount of the cheque until we are satisfied that no proceedings will be brought by the third party against us. As the cheque drawer we may at our discretion, pay the value of the cheque to the third party where in our opinion, we are liable to honour the cheque.

All requests for removing stop payments must be in writing.

2.22 Direct debits

A Direct Debit facility is an electronic “direct” debit from your approved transaction, savings, on-call investment or line-of-credit access account:

- to approved accounts at other financial institutions. These are arranged directly with us by completing either an Electronic Funds Transfer to Other Financial Institutions form (for one-off payments at branches only) or an Electronic Periodical Payment - External form, or by using internet or mobile banking. You will need to advise us of the BSB Number of the financial institution to which the funds are to be transferred and of the Account Number into which the funds are to be paid.
- to approved organisations to pay for goods and services. For example, health funds and insurance companies. These are arranged with the applicable financial institution or organisation. You will need to advise the organisation of our BSB Number (645 646) and the individual Auswide Bank Account XREF (Cross Reference) Number (can be obtained by contacting us) from which funds are to be debited
- to pay your monthly premium for your Home and Contents, Motor Vehicle, Caravan/Trailer Insurance.
- to other Auswide Bank accounts held by you or a third party (internal transfers).

Fees and charges apply (including reject fees on dishonoured payments). Details are disclosed in the dishonours and rejects section of your relevant account's guide. Where requests are made through a branch, a minimum of three working days prior notice is required for new regular payments and payment cancellations. Auswide Bank Insurance is underwritten by Allianz Australia Insurance Limited ABN 15 000 122 850.

2.22.1 Direct debit disputes

If a Direct Debit has already been processed to your account and you have not authorised the Direct Debit or you disagree with the timing or amount of payment, you should contact the Direct Debit User and rectify the problem. If you can not resolve the problem directly with the Direct Debit user, you must complete a Direct Debit Claim form and we will investigate the transaction on your behalf. A Direct Debit claim may take up to 14 days to resolve.

2.22.2 Direct debit stops

We are unable to stop a Direct Debit transaction after it has been processed to your account (see Direct Debit Disputes for what you can do if a Direct Debit has already been processed to your account). If you wish to stop a Direct Debit before a transaction is processed to your account, you should contact us directly on phone 1300 138 831 or visit a branch and complete a Direct Debit Request - Stop Payment form.

2.23 Direct credits

A Direct Credit facility is an electronic “direct” credit to your approved transaction, savings, on-call investment, line-of-credit access or loan account:

- from approved accounts held by you at other financial institutions. These are arranged directly with us. You will need to advise us of the BSB Number of the financial institution from where the funds are to be transferred, the Account Number from which funds are to be debited and the individual Auswide Bank Account Number into which funds are to be credited.
- from approved accounts held by third parties at other financial institutions (such as your employer). These are arranged by the third party with the applicable financial institution. You will need to advise the organisation or third party of our BSB Number (645 646) and the individual Auswide Bank Account XREF (Cross Reference) Number (can be obtained by contacting us) into which funds are to be credited
- for Centrelink entitlements (eg. pension, family assistance etc). These are arranged with the applicable government department. You will need to advise the government department of our BSB Number (645 646) as well as the individual Auswide Bank Account XREF (Cross Reference) Number (which may be obtained by contacting us) into which funds are to be credited from other Auswide Bank accounts held by you your employer or a third party.

Where requests are made through an Auswide Bank branch, a minimum of three (3) working days prior notice is required for new payments and payment cancellations.

2.24 Electronic payments

You can ask to have money transferred to other accounts, between accounts, to third parties and to accounts at other institutions as a one-off or on a regular basis (at desired frequency eg. fortnightly, monthly etc). All transfers can be arranged over the counter at your local branch or through phone, internet or mobile banking.

A minimum of three (3) working days notice is required to arrange a new regular payment. In some instances payments may not be transferred until the second working day after a weekend or public holiday. In order for us to facilitate a transaction, sufficient cleared funds need to be deposited at least one business day before the agreed payment date.

We can charge a fee for these transfers if we agree to provide them. We can also change vary or discontinue providing these transfer facilities, however you will be provided with prior written notice before this service is withdrawn.

If you arrange to send a payment to us or ask us to send a payment to another institution, we will direct the transaction electronically to the intended account using only the BSB and account number provided by you. The account name may not be used to validate that the transaction has been posted to the correct account.

You should ensure BSB and account number details for any payments are correct, as we are not liable to you for transactions that are directed to an incorrect account.

(continued)

We will keep transferring the agreed amount of money until:

- you cancel the service in writing - a minimum three (3) working days is required to cancel payments
- an appropriate authority informs us in writing that an account holder is insolvent or mentally unsound
- we get a letter saying the account holder has deceased where the account is in one name
- you tell us in writing to change the amount or frequency
- the automatic payment has been unsuccessful on four (4) consecutive due dates
- you instruct us in some other manner (eg. internet banking) and we agree

We will only transfer moneys if there are enough cleared funds in the account. If there is only enough money to make some payments, we decide when and what payments to make. We can charge you a fee (in addition to any other fees) when a transfer is unsuccessful.

If we have been unable to successfully make your automatic payment on four (4) consecutive due dates we may cancel the authority and may not attempt to make further payments unless you provide us with a new authority to do so. We are not liable if any payment or transfer is delayed outside our control, cancelled or dishonoured by us where there are insufficient funds in the account.

2.25 Overseas transactions

Transactions processed (including fees) in foreign currency may be converted to Australian dollars using the exchange rate specified by our foreign exchange agents.

Cheques drawn on an overseas institution may be converted to Australian dollars using the exchange rate current at the time we deposit this cheque to our bankers.

Our bankers may choose to collect the amount of overseas cheques from the drawee bank prior to depositing the proceeds to your account. This is referred to as "sending the cheques for collection".

We are not liable for, nor shall we reimburse any fee or charge deducted from the value of a cheque that is imposed by an overseas institution in relation to collecting the amount of the cheque.

If you deposit a cheque to your account drawn on an overseas institution, and that cheque is returned or dishonoured, you are liable for differences in the Australian dollar value of the cheque resulting from fluctuations in exchange rates between when the cheque was deposited to your account and when the cheque was returned or dishonoured.

2.26 Set-off

You agree that we can set off and/or apply the credit balance of any account that you have with us against any debt owed by you to us, without your prior consent. This may include transferring funds to cover personal cheques or overdrawn balances.

This does not apply to some accounts regulated by the National Credit Code, where we will have all rights available to us at law.

2.27 Overdrawing an account

When the amount of withdrawals or other transactions posted to your account equals more than the balance in your account, your account becomes overdrawn. In this case we may charge you an overdrawn account fee.

You must repay any overdrawn amount, including any fees or interest payable as soon as we ask for it. We can withdraw money from your other accounts to cover the amount overdrawn.

If you break these terms and conditions, we may take legal action against you. You agree to pay reasonable enforcement expenses (including all legal costs on a solicitor and own client basis) we incur or sustain in recovering or attempting to recover overdrawn amounts.

2.28 Cheque book facility

A cheque book facility is a payment facility that allows you to pay for goods and services by cheque instead of carrying cash and you can pay by mail. Your cheque book can be linked to an applicable

transaction, on call investment or line of credit access account - you don't need to open a separate cheque account.

You will not be eligible for a cheque book unless you are 18 years or over.

New account holders (under 3 months) require a minimum balance of \$250 in their account at the time of applying for a cheque book. You may apply for a book of either 30 or 200 cheques which will be posted to you.

Auswide Bank reserves the right to accept or decline your application for a cheque book.

Cheque payment services are available by arrangement with Westpac Banking Corporation ABN 33 007 457 141.

2.28.1 Terms and conditions

When we receive a cheque written out by you, you acknowledge that the cheque is a request from you to pay funds from your account, even if the request results in your account becoming overdrawn.

You agree to write cheques only if you have enough cleared funds in your account to cover them.

The date on the cheque must be the day the cheque was written.

2.28.2 Paying cheques

You will continue to receive interest on funds in your account right up until your cheque is presented anywhere in Australia. If you do not have sufficient available cleared funds in your account to cover the cheque at the time of presentation to our bankers, we can dishonour the cheque, draw money from your other accounts or honour the cheque. We can charge you a fee for this.

We may also decide to not pay a cheque where we have received notification of a stop payment on the cheque or where there is another valid reason (such as fraud) for doing so. We are not liable to you or any other person if we decide to not pay a cheque.

2.28.3 Stopping payment of cheques

Should you wish to stop payment on a particular cheque (or cancel cheques that may have been lost or stolen) you should notify us as soon as possible.

You should complete the relevant form at a branch (which may include an indemnity for loss), write to us, send a facsimile to (07) 4152 3499 or send a secure message through internet banking. Email and phone requests cannot be accepted.

After receiving your request, we will confirm whether the cheque has been presented to your account. If the cheque has already been presented, we will be unable to proceed with your request.

2.28.4 Issuing cheque books

We will issue you a new cheque book (a cheque book fee may apply):

- when you ask for one; or
- after a set number of cheques are presented to us

We can withdraw or stop the issue of a cheque book or demand that it is returned at any time, however you will be provided with written notice either prior or at the time this service is withdrawn.

2.28.5 Lost, misued or stolen cheques and cheque books

As your account can be accessed by your cheque book, you should always keep it in a safe place.

You must not leave signed blank cheques in your cheque book. If your cheque book is stolen, lost or misused, you must phone us immediately and follow up with the details in writing. Please either contact your local branch or phone 1300 138 831.

2.29 Statements and passbooks

All accounts default to receive a statement at least once every 6 months, or where otherwise required by a law or Code, we may give you a statement showing all transactions on your account from the last statement. You can request a statement of your account at any time.

(continued)

Upon request, selected accounts may have a passbook issued instead of periodical statements. Passbooks can be updated at any branch. A passbook account will not be automatically issued with a statement - should you require a statement on a passbook account a fee may apply.

You must read statements, passbooks and other records of your accounts and write to us promptly if there is a mistake, if information is missing or if statements show transactions you did not make.

2.30 Errors on statements, mistakes and unauthorised transactions

If you detect an error or believe a transaction was not authorised by you, or that an amount has been credited to your account that you may not be entitled to, you must notify us as soon as you become aware of the transaction.

Where moneys have been transferred by you to another account in error or by mistake you are solely responsible in relation to correct that error and any loss suffered by you.

Where moneys have been transferred to your account by someone else or you in error, at the branch or elsewhere, you agree:

- we may in our sole and absolute discretion disclose to the payer, the name and number of your account where your account has been incorrectly credited
- in the event of a dispute we may pay the funds to a court pending resolution of any dispute
- we may in our absolute discretion on forming a reasonable opinion that your account has been incorrectly credited in error, freeze that amount in your account or reverse those funds from your account or deduct the amount of those moneys from your account.

We are not responsible for any loss you may suffer due to errors, inaccuracies or omissions in relation to authorised but mistaken instructions given to us for the operation of your account.

Some other transactions are governed by the ePayments Code of Conduct. We will comply with the requirements of any law, code or scheme to which we are bound, applying to transaction disputes.

2.31 Direct bank feeds

Auswide Bank can facilitate an electronic copy of your account information directly to your business or to your accountant. A direct bank feed eliminates the process of manual data entry and provides accurate and timely data.. For details of accounting solutions which are enabled to receive a direct bank feed from Auswide Bank – please visit our website.

2.32 Changes to your details

You must write to tell us promptly if you or any person authorised to make transactions on your account changes name, signature, residential or postal address or phone number.

If you wish to change the name of your account, we will require proof of your name change by sighting relevant documentation such as one of the following:

- a marriage certificate
- a divorce certificate
- adoption papers, or
- the relevant deed poll and evidence of its registration

If an organisation, business or corporation changes its name we need to see a certified copy of the:

- Certificate of Registration or Incorporation for the new name, and
- Resolution of the Meeting of the Organisation which decided on a change of name

In the case of personal accounts, should you wish to change the signatories to the account, we will require all existing accountholder/s to notify us in writing unless your specific prior instruction was for

all accountholders and signatories (eg. accountholder/s and authority to operate) to sign for making amendments to the account.

If an organisation (club/association), business, company or other entity wishes to change signatories to the account, in addition to all existing signatories notifying us in writing, we may require other forms of verification documentation to be produced.

2.33 Notifications

Any notice or other document may be given by sending it to the last address you gave us. Except where it contravenes a law or the ePayments Code, if we send it to your last known address, it is taken to have been received on the date it would have been delivered in the ordinary course of the post.

It is your responsibility to notify us immediately if you change your address. In cases where your mail has been returned as undeliverable, we will update your account accordingly until you advise us of your new address.

Unless you advise us to the contrary, all correspondence for entities (eg. companies, businesses etc) will be sent to the entity name. In the case of joint accounts or accounts held by multiple individuals, correspondence will be forwarded to the primary accountholder (that is the first person whose name appears on the account).

2.34 Dormant accounts

Where an account has no customer initiated transactions (withdrawal or deposit) for a period of two (2) years, the account will be classified as “dormant”. A fee may apply at regular intervals for dormant accounts.

Where we are required by law, we may remit to the Commonwealth, certain balances of accounts where no customer initiated transactions have been performed for a period of three (3) years. This requirement does not apply to all account types. Further details are available upon request.

2.35 Account closures

You can request us to close your account, however we will only proceed with this request if the following conditions have been met:

- if your account is a joint account, it can only be closed in accordance with the authority to operate, therefore “two or more to sign” accounts require that number of persons to authorise the account to be closed
- if you have deposited any cheques to your account, you cannot close your account until they have been cleared
- if your account has a cheque book attached, you cannot close it if there are unrepresented cheques. You must return all unused cheques. If any cheques are presented to us after the account has been closed, we may not pay them.
- if a debit card has been issued on your account, we may not close the account until you have returned debit card to us.
- you have arranged to cancel any direct debit authorities you have authorised. If transactions are received after account closure, they may be returned or posted to the account. If we post them to your account we may notify you of the amount owing and you must pay us that amount immediately. You must pay us any fees that result from transactions being posted to your account after the account has been closed.

We can close your account immediately without telling you first if:

- you break the terms and conditions
- you overdraw your account and the amount is not paid within a period not exceeding 87 days from the date your account became overdrawn
- your account has maintained a zero balance for a period of 12 months and has had no transactions
- we have security reasons to do so or we have satisfied ourselves that there are other valid commercial reasons for doing so
- we believe that you have defrauded or attempted to defraud us, any other financial institution or any other person

- we need to by law
- you have given us false or misleading information
- we believe further use of your account may cause you or us loss
- you act in a manner that in our reasonable opinion, threatens the security of our staff , property or any other person
- for a mortgage off set account - you payout your loan (we will transfer the funds to another Auswide Bank account)
- where the Terms and Conditions of an account specify that your account will be closed and transferred to another Auswide Bank account type/s if certain conditions are met or not met.

When your account is closed, any credit balance and any accrued interest will be paid to you. If there are any outstanding fees, charges or other amounts owing to us we will deduct these first.

After closure of your account, should we receive any outstanding debit transactions (eg POS fall back vouchers), you will be required to immediately pay these amounts to us.

We may close your account without reason by giving you at least 21 days prior written notice

2.36 Ownership rights

We own all debit cards, passbooks, cheques, cheque books and any other access methods we issue you. We can request the return of any of these items if there is a valid reason for doing so.

2.37 Loss or damage if you break these terms and conditions

Subject to these Terms and Conditions, you agree to pay us for any loss, damage or costs we may have if:

- you do not follow any law or regulation that applies to your account or transactions on your account
- you do not use our debit cards, cheques, internet, mobile or phone banking correctly
- you do not follow our terms and conditions or particular conditions
- there is any breach by you as a trustee or director
- you disclose your Login details

We are not responsible for any loss if a debit card, cheque book, term deposit investment record or passbook is lost, stolen or misused except where we agree in these terms and conditions, or where by law or a code you are not responsible for any loss.

2.38 Lost or stolen cards, passbooks, cheques or access codes

If your Debit Card, passbook, cheque book, PIN, telephone or internet banking access code, any password or secret code or any access method is stolen, lost or misused, or you suspect it is being misused, telephone us immediately and follow up with details in writing.

Please call 1300 138 831 during normal office hours. An after hours service for lost or stolen debit cards is available by phoning 1800 072 111.

If you fail to notify us promptly when you become aware that any of the above is stolen, lost or misused or suspect it is being misused, you may be liable for unauthorised transactions processed to your account. Any items stolen must be reported to the police as the police report may be required by us if you wish to make a claim that a transaction on your account was not authorised by you.

2.39 Our rights

We can exercise our rights at any time within the limits of the law. If we delay in exercising our rights, this does not mean we give up those rights.

3. FEES AND CHARGES

3.1 Terms and conditions

When you use your account, cheque book or Debit Card, we can impose a fee or charge.

We can also impose a fee or charge to keep your account and on any transaction made to the account.

In charging any fee or charge we will comply with:

- the law
- the ePayments Code if applicable

You must pay these fees and charges when we specify in an agreement or earlier if we ask you to pay them.

3.2 Information

You can get information about our standard fees and charges that apply to your account by reading all the documentation we have provided you.

Details of fees and charges for loans are included in your loan contract.

3.3 Waivers

In certain circumstances we may waive or refund particular fees and charges.

4. PRODUCT PACKAGES

From time to time we may group various banking products and services into a package. These product packages may include incentives or may be made available in return for a fee and will only be available to applicants meeting the Terms and Conditions of the particular package.

4.1 What is a product package

We offer several mortgage and banking service products as part of various product packages which are only available to eligible customers.

The products and services available under these packages are issued directly by Auswide Bank or in association with third parties. They are issued under their own terms and conditions which are available on request. Applicants who qualify for the package will be entitled to various benefits and discounts ("Package Benefits") relating to these products and services.

These Package Benefits are subject to withdrawal or change from time to time - current details are available on application and are contained in the relevant Schedule of Package Benefits.

5. ELECTRONIC BANKING TERMS AND CONDITIONS

5.1 Introduction

This section applies only to electronic banking as described below. Before you use electronic banking, you must ensure you know about the terms and conditions that apply.

We warrant that we will comply with the requirements of the ePayments Code. The ePayments Code applies to payment, funds transfer and cash withdrawal transactions that are:

- initiated using electronic equipment; and
- not intended to be authenticated by comparing a manual signature with a specimen signature.

It also applies to the following transactions provided by us:

- electronic card transactions, including ATM, EFTPOS, facilities with contactless features, Debit Card transactions that are not intended to be authenticated by comparing a manual signature with a specimen signature
- telephone banking and bill payment transactions
- internet banking transactions
- online transactions performed using a card number and expiry date
- online bill payments (including BPAY)
- direct debits
- transactions using mobile devices
- third party services which provide electronic transfer of funds (e.g. international money transfer)
- any other transaction specified by ASIC under Clause 43 of the ePayments Code as a transaction to which the ePayments Code applies.

5.2 Security requirements you must take to safeguard your code (PIN, access codes etc)

In these terms and conditions when the word “code” is used, it shall mean your PIN, your telephone banking Access Code, your internet and mobile banking Access Code or any other secret code we may give you.

Your code is the key to your account when you use certain electronic equipment. Your code is valuable and should be kept secret. Failure to do so may increase your liability for any loss.

To protect your account against unauthorised transactions, where one or more access codes are needed to perform a transaction, please ensure that you adhere to the security requirements below.

You must not:

- voluntarily disclose any of your PINs or Access Codes to anyone, including a family member or friend
- show or tell your PINs or Access Codes to any other person including any verbal or written request from any person, including anyone purporting to be our representative (no one should ask for your PINs or Access Codes, including a financial institution employee, police, merchant or any other person)
- where a computer or electronic device is required to perform a transaction, do not record your code on the device where it can be easily retrieved
- write or record your PINs or Access Codes on your card
- keep a written record of your PINs or Access Codes required to perform transactions on one or more articles liable to be lost or stolen at the same time, without making a reasonable attempt to protect the security of the codes
- select a numeric PIN or Access Code that represents your birth date, or an alphabetical password, PIN or Access code that is a recognisable part of your name
- otherwise act with extreme carelessness in failing to protect the security of your codes

Always use care to prevent anyone seeing your PINs or Access Codes being entered.

WARNING

You must not use your birth date or an alphabetical code which is a recognisable part of your name as a PIN or Access Code, or select sequential numbers eg. “1234” or where all numbers are the same eg. “1111”. If you do, you may be liable for any loss suffered from an unauthorised transaction.

5.3 Lost or stolen cards, passwords, PIN or access code

You must make a report immediately to us if you become aware or suspect that your password, Access Code, card or PIN is lost or disclosed or used without your authority. You must not then continue to use your password, Access Code, card or PIN. We will arrange for you to select a new code.

If you report that a card has been lost or stolen, the card will be cancelled as soon as the report is made and you must not use the card once the report is made.

If you recover the lost or stolen card, you must return the card to your nearest branch for destroying as soon as possible.

We can be contacted as follows:

- visiting your nearest branch
- telephoning our Head Office on 1300 138 831 during normal office hours
- after hours or if no answer ring 1800 072 111

5.4 Bank@Post

Bank@Post is a facility at over 3300 Australia Post outlets (displaying the Bank@Post sign) which allows you using your debit card (on your account), to transact over the counter by:

- selecting “savings” and entering your PIN to withdraw, deposit or check account balances on your approved Auswide Bank deposit, line-of-credit and business overdraft access accounts
- selecting “credit” and entering your PIN to deposit to your Auswide Bank loan account (including making loan payments) or to check your loan account balance

A receipt will be issued on each transaction.

To conduct Bank@Post transactions on your loan you will need to have an Auswide Bank debit card.

If you open a mortgage off set account on your home loan and apply for a debit card, you will be able to link the debit card to both your mortgage off set and loan accounts. Alternatively you can apply for a debit card for your loan account only.

You can link your home loan to your mortgage off set debit card by contacting your local branch, phoning our Head Office or by secure email using internet banking.

If you have an existing debit card on another type of deposit account, it cannot be activated for loan transactions via Bank@Post .

Bank@Post and its associated device marks are trademarks (registered or otherwise) of the Australian Postal Corporation ABN 28 864 970 579 - all rights reserved. Limits apply on withdrawals. Some postal outlets do not have an electronic link to the Bank@Post network. Bank@Post is only available on our personal accounts on selected account types. Cheque deposits will only be accepted if they are made payable in the name of the cardholder; to Auswide Bank for the credit of the cardholder to “Auswide Bank” or to “Cash”. Cheques made payable to third parties or joint account holders will not be accepted.

5.5 ATM's

Your debit card may be used to transact on your transaction, on-call investment or selected line-of credit access account at Australian ATM's (Automatic Teller Machines) belonging to financial institutions across Australia.

For transaction fee charging purposes ATM's are categorised as:

- “Auswide Bank” branded ATM's
- “non-Auswide Bank” ATM's (ie ATM's belonging to other financial institutions)

At “Auswide” branded ATM's, use our debit card to withdraw, check account balances, change your PIN or to check loan account balances.

Details of our ATM locations are available at our branches, by phoning us on 1300 138 831 or on our website www.auswidebank.com.au

Your debit card may also be used at any ATM's Australia wide. At these locations, your debit card may be used to withdraw or check account balances.

5.6 EFTPOS

Your debit card may also be used to access funds in your account at thousands of POS (Point of Sale) terminals across Australia that display the EFTPOS (Electronic Funds Transfer at Point of Sale) and debit card symbols.

You can pay for goods and services with the purchase price automatically deducted from your transaction, on call investment or line of credit account.

Most retailers will also allow you to obtain extra cash with your purchase.

5.7 Processing instructions - general

You authorise us to act on the instructions you enter into electronic equipment.

Any electronic transaction made by you cannot be cancelled, altered or changed by you unless allowed by the applicable terms and conditions.

We may delay acting on or may ask you for further information before acting on an instruction. Where we have instructions for more than one payment from your account(s), we will determine the order of priority in which payments are made.

If you make a cash withdrawal from an account by making an electronic transaction and there is a difference between the amount of cash received and the amount shown debited from your account, you must report this to us as soon as possible.

If you make a deposit of funds to an account by making an electronic transaction and there is a difference between the amount recorded as having been deposited and the amount we receive, you will be notified of the difference as soon as possible and will be advised of the actual amount which has been credited to the account.

We are not liable for the refusal of any merchant to accept an electronic transaction and, to the extent permitted by law, are not responsible for the goods and services supplied by the merchant.

You accept that:

- not all electronic equipment from which cash can be withdrawn will always contain cash
- any cash dispensed at electronic equipment is at your risk once it becomes visible or available for you to collect
- not all electronic equipment will allow you to make deposits

Unless the payment has not been sent to BPAY, an immediate transfer or BPAY payment cannot be revoked or stopped when we receive your instruction.

Future dated transfers or BPAY instructions can be revoked or changed if instructions to delete the transaction are given to us either in writing or through internet banking before the transaction is scheduled to occur.

5.8 Withdrawal of electronic access

We may withdraw your electronic access to accounts (including by BPAY) without prior notice if:

- electronic equipment malfunctions or is otherwise unavailable for use
- a merchant refuses to accept your card
- any one of the accounts is overdrawn or will become overdrawn, you have exceeded your agreed credit limit or is otherwise considered out of order by us
- we believe your access to accounts through electronic equipment may cause loss to the accountholder or to us

- we believe that the quality or security of your electronic access process or our systems may have been compromised
- all the accounts you may access using our phone internet or mobile banking have been closed or are inactive, or the account you have nominated fees and charges to be charged to is closed
- we suspect you of being fraudulent or engaging in inappropriate behaviour
- if we become aware that you do not meet or cease to meet our eligibility criteria for the card or electronic access - or otherwise
- or on giving you not less than three months written notice unless the withdrawal of electronic access is prohibited by law.

We may at any time change the type of accounts that may be operated, or the types of electronic transactions that may be made through particular electronic equipment.

We may also at any time suspend your right to participate in the BPAY scheme.

You can cancel a card at any time by returning the card to your local branch for destroying.

You can request to de-register from phone, internet and or mobile banking by completing our "Telephone Internet and Mobile Banking" form.

5.9 Unauthorised transactions

The following provisions apply to unauthorised transactions. They do not apply to a transaction performed by you or by anyone who performs a transaction with the knowledge and consent of you.

a) When you are not liable for any losses

You will not be liable for loss arising from an unauthorised transaction if the cause of the loss is:

- the fraudulent or negligent conduct of our employees, agents or third parties involved in networking arrangements, or of merchants, their agents or employees
- a card, account number, password, PIN or Access Code which is forged, faulty, expired or cancelled
- a transaction that requires the use of any card, password, PIN or Access Code that occurred before the user received or selected the card, password, PIN or Access Code (including a reissued card, password, PIN or Access Code)
- a transaction being incorrectly debited a second or subsequent times to the same account
- an authorised transaction that occurs after you have notified us that any card has been misused, lost or stolen or that the security of your password, PIN or Access Code has been breached from an unauthorised transaction that can be made using an account number without a password, PIN or Access Code or card - where a transaction can be made using a card, or a card and account number, but does not require a password, PIN or Access Code you will be liable only if the user unreasonably delays reporting the loss or theft of the card
- from an unauthorised transaction if it is clear that a user has not contributed to the losses; or
- occurred while our process for reporting unauthorised transactions, loss, theft or misuse of a card or breach of a security requirement is unavailable, provided that a report is made within a reasonable time of the process again becoming generally available

a) When you are liable for any losses

Where section 5.11 (a) does not apply, if we can prove on the balance of probability that you have contributed to the loss arising from an unauthorised transaction through fraud or through breaching a security requirement:

- you are liable in full for the actual losses that occur before we are notified of the loss, theft or misuse of a card or breach of a security requirement; but
- you will not be liable for a portion of the losses:
 - incurred on any one day that exceed any applicable daily transaction limits
 - incurred in any period that exceed any applicable periodic transaction limit
 - that exceeds the balance of the account, including any pre-arranged credit, or
 - incurred on any account that Auswide Bank and you had not agreed could be accessed using the card or account number and/or password PIN or Access Code used to perform the transaction.

Where:

- more than one password, PIN or Access Code is required to perform a transaction; and
- we can prove that you breached a security requirement for one or more (but not all) of the required passwords, PINs or Access Codes

You will only be liable if we can also prove on the balance of probability that the breach of the security requirement was more than 50% responsible for the losses when assessed together with all the contributing causes.

You are liable for losses arising from unauthorised transactions that occur because you contributed to the losses by leaving a card in an ATM.

If we can prove, on the balance of probability that you have contributed to the losses resulting from an unauthorised transaction by unreasonable delaying reporting the misuse, loss or theft of a card or a breach of a security requirement, you will be liable for the actual losses that occur between:

- the time when you became aware of the security, compromise, or in the case of a lost or stolen card should reasonably have become aware; and
- the time we were notified of the security compromise

however, you will not be liable for that portion of the losses:

- incurred on any one day that exceeds any applicable daily transaction limit
- incurred in any period that exceeds any applicable periodic transaction limit
- that exceeds the balance on the account including any pre arranged credit; or
- incurred on any account that we and the accountholder had not agreed could be accessed using the card and/or passwords, PIN or Access Code used to perform the transaction

If it is not clear whether you have contributed to the loss caused by an unauthorised transaction and where a password, PIN or Access Code was required to perform the unauthorised transaction you are liable for the least of:

- \$150 or a lower figure determined by us
- the balance of the account or accounts (including any pre-arranged credit) from which we, and the accountholder have agreed could be accessed using the card and/or password, PIN or Access Code; or
- the actual loss at the time we are notified of the misuse, loss or theft of a card or breach of a security requirement (but not that portion of the loss incurred on any one day which is greater than the daily transaction limit or other periodic transaction limit - if any)

5.10 Equipment malfunction

If any system or equipment used to affect an electronic banking transaction is faulty and you suffer any loss, you must contact us immediately and follow up with the details in writing. We will look into the problem as soon as possible.

We are responsible to accountholders for any loss caused by the failure of a system or equipment to complete a transaction that was accepted in accordance with your instructions. However if you were aware or should reasonably have been aware that the system or equipment was unavailable for use or malfunctioning, our responsibility will be limited to correcting errors in the account and refunding any charges or fees imposed as a result.

Also, we are not liable if you can't make a transaction because the electronic system or equipment;

- did not recognise or kept your debit card for any reason other than faulty electronic equipment
- did not work because of your deliberate or negligent act
- was not used according to these terms and conditions
- was faulty in a way that was outside our control or the equipment owner's control and you should have been reasonably aware that it was faulty; or
- was not designed to handle the kind of transaction you wanted to make

We will also not be liable for cash once it is visible or available from any electronic equipment, such cash is deemed to be at the risk of the cardholder.

You are solely responsible for your own computer and mobile phone anti-virus and security measures and those of any unauthorised user, to help prevent unauthorised access via internet or mobile banking to your transactions and accounts.

5.11 Problems or complaints with electronic banking

If you have a problem or a complaint about a transaction (including any entry on a statement), note down the details and call 1300 138 831 or contact any branch as soon as possible. We need to know details about the type of electronic terminal, location and problem experienced. We will investigate the problem and if we can't solve it immediately, we will tell you in writing of the steps we will take and how we intend to solve the problem.

If we have not finished our investigation within 21 days of receiving your complaint, we will tell you in writing that we need more time. We will complete our investigation within 45 days unless there are

exceptional circumstances. If this is the case, we will tell you about these in writing, provide you with monthly updates on the progress of your complaint, and inform you of a date when a decision can reasonably be expected.

Before we say who or what caused the problem, we or the equipment owner will refer to the electronic system log to see if there was any fault in the system when the transaction was made. We will give you these results in writing. We will also put into writing the results of our investigation and the reasons for our decision. We will include the sections of the ePayments Code which helped us make our decision.

If the investigation shows your account has been wrongly adjusted, we will correct this (and make similar corrections to any interest or charges). We will tell you in writing of any such changes.

If we think you are partly or wholly responsible pursuant to section 5.9 for the problem that was the basis of the complaint, we will tell you this in writing and show you copies of documents and other evidence involved. If you are not satisfied with any decision that we make, you can contact our Internal Dispute Resolution section and ask them to review your case. We can also advise you of other avenues of dispute resolution that are available to you.

5.12 Changes to the electronic banking terms and conditions

We will give you at least 20 days prior written notice of any changes which:

- impose or increase fees or charges for issuing or replacing a card, password, PIN or Access Code
- impose or increase fees or charges for performing transactions
- increase your liability for losses relating to transactions
- change your daily transaction limit or other periodical transaction limit applying to the use of electronic equipment; or
- impose, remove or change your daily or other periodic limit on transactions, an account or electronic equipment (eg. limits on the number or value of ATM withdrawals)

We can make other changes where it is required to do so immediately restore or maintain the security of a system or an individual facility including the prevention of systemic or individual criminal activity, including fraud.

Subject to the law and these terms and conditions, we can tell you about other changes in electronic banking by:

- a notice on or with your statement
- a notice on ATM's or at our branches
- secure message services on our internet banking service if you have agreed to this method
- press ads, or
- a letter.

6. VISA DEBIT CARD TERMS AND CONDITIONS

The following Terms and Conditions apply to the use of the Auswide Bank Visa Debit Card (which includes payment devices such as wearables e.g. PayBand) and governs the operation and use of the card. These terms and conditions should be read in conjunction with Section 5 - Electronic Banking Terms and Conditions.

6.1 Visa Debit Card

The Visa Debit Card allows you to access your own funds on selected Auswide Bank account types in Australia or overseas.

Auswide Bank offers two options of Visa Debit Cards - a 'Full Access' card and a 'Limited Access' card.

'Full Access' Visa Debit Card can be used: at Australian and overseas ATM's, Auswide Bank branches and Bank@Post; for EFTPOS in Australia and overseas including payWave contactless purchases; to shop online and make phone or mail order purchases.

'Limited Access' Visa Debit Card can be used: at Australian and overseas ATM's, Auswide Bank branches

and Bank@Post; pay for goods and services using EFTPOS in Australia and overseas including payWave contactless purchases.*

* Restrictions have been applied to 'Limited Access' Visa Debit Cards which are designed to prevent Visa online, phone and mail order (card not present) and limit the amount on Visa network transactions - however Auswide Bank cannot warrant that such restrictions will be apply if your card is used fraudulently or the transaction is incorrectly processed by a merchant.

6.2 Eligibility criteria

The Visa Debit Card is available to customers aged from 12 years of age with an Australian residential address. You can apply for a card on the following list:

- 12 to 15 years - 'Limited Access' with parental/ guardian consent.
- 16 to 17 years - 'Limited Access'
- 16 to 17 years - 'Full Access' with parental/ guardian consent or as an account signatory
- 18 years & over - 'Limited Access' or 'Full Access' with option of either card access.

6.3 Card validity and expiry

Any Visa Debit Card issued by us to you is for use on your account and remains our property. When you receive your card, for security reasons, you must sign it immediately. It should only be used within the "valid from" and "until end" dates. As soon as a card expires, ensure that you destroy it by cutting it into several pieces, ensuring that the magnetic strip and chip are cut in half, and disposing of them securely.

6.4 Your responsibility for use

You are responsible for each purchase and cash withdrawal made using your Visa Debit Card. This is whether the purchase or cash withdrawal is made at your request or by the use of your Auswide Bank Visa Debit Card. There are limits on your liability for unauthorised use set out in section 6.14 - Loss or Theft of a Card or PIN, 6.15 - Your Liability for Unauthorised transactions and section 6.19 - Disputed Transactions.

You are responsible for the security of any card issued to you. Any card issued to you is for your use only and you are responsible for keeping your card in a safe place and providing protection from theft and misuse.

6.5 Daily withdrawal limit

The following maximum daily withdrawal limits will apply		
<ul style="list-style-type: none"> • Australian ATM's • EFTPOS transactions where the "SAV" or "CHQ" button is selected 	\$2000 per card per account per day*	<ul style="list-style-type: none"> • We can apply and vary a "combined" daily limit on the value of withdrawals you make using these access methods on any one day • You may vary this amount on application
Visa Network transaction daily withdrawal limit	Up to available balance of account	Visa Network includes the following transactions: <ol style="list-style-type: none"> 1. payWave contactless transaction (up to \$100 per transaction without entering PIN) 2. Overseas ATM's & EFTPOS 3. Overseas and domestic transactions where the CR button is selected 4. Signature based paper transactions 5. Mail order, phone or internet transactions (not available on 'Limited Access' card.)
Visa Network limit per transaction	'Limited Access' Card Maximum \$500 per transaction 'Full Access' Card No Limit	

*You will be advised of this maximum daily transaction limit when the card is issued to you, and you will be subsequently advised of any changes we make to the limit. You can change your limit (from \$300 to \$2000) by either contacting us in writing or visiting one of our branches.

6.6 Use of your card

Your Auswide Bank Visa Debit Card may be honoured by financial institutions and merchants displaying a sign or card promotional material that identifies the Visa card scheme. This does not mean that all goods and services available at those premises may be purchased by use of the card.

The Visa Debit Card is accepted at more than 29 million locations worldwide. You can also make withdrawals from ATM's where the Visa PLUS logo is displayed to avoid carrying large amounts of cash (fees and charges apply). You may be able to use your Visa Debit Card details through an electronic banking facility. This includes when the Visa Debit Card details are used at a merchant by mail, phone order or through the internet to pay for goods or services. In this instance:

- use of your card details through an electronic banking facility will be subject to the Electronic Banking Terms and Conditions (section 5); and
- where these card terms and conditions conflict with those of the Electronic Banking Terms and Conditions, the Electronic Banking Terms and conditions will prevail

You should ensure the transaction amount is correct before:

- you sign vouchers or transaction records given to you by merchants or a financial institution
- you enter your access code (which includes your Personal Identification Number (PIN) or other identifying number and/or password) at an electronic banking facility; and
- authorising the amount for a Visa Easy Payment Service Transaction

Always ensure that you request a receipt for all transactions.

By signing a voucher or transaction record or entering your access code (which includes your PIN or other identifying number and/or password) at an electronic banking facility, you indicate your agreement that the transaction amount is correct.

Subject to any applicable law, we are not responsible for goods or services supplied to a cardholder. Any complaint must be resolved with the merchant.

A Visa Debit Card transaction cannot be changed. It is an unchangeable order by you to us to process the transaction. You may not request us to alter or stop payment on the transaction. You may only cancel periodical debits authorised to be made to your Visa Debit Card by directions to the merchant.

Your Visa Debit Card must not be used for any unlawful purpose, including the purchase of goods or services, prohibited by any law in the cardholder's jurisdiction. We may temporarily block the use of your card where we have reason to suspect inappropriate, unauthorised or unlawful activity on your card. We will endeavour to contact you in this event.

You are encouraged to maintain a record of any regular payment arrangement you elect to enter into with a merchant. A regular payment arrangement includes regular direct debits, regular recurring payments and instalment payments from a debit card. Instalment payments are regular payments over a set period of time. To either change or cancel any regular payment arrangement you should contact the merchant at least 15 days prior to the next scheduled payment. Until you attempt to cancel the regular payment arrangement we must accept the merchant's transaction. If possible, you should retain a copy of your change/cancellation request. If the merchant fails to act in accordance with these instructions you may have the right to dispute.

6.7 Limits on use

An Auswide Bank Visa Debit Card may not be accepted unless it carries your signature and is used during the validity period shown on your card.

The available balance of your account will be reduced by the amount of:

- any transaction for which a merchant seeks and we are given authorisation (even if the transaction is not completed at the time of the authorisation). This authorisation is for the purpose of establishing that there are sufficient funds available in your Auswide Bank Visa Debit account for the transaction; and
- any debit to your account except to the extent that the relevant transaction has already led to a

reduction in the amount of available balance

All purchases and cash withdrawals made using your card through the Visa card scheme are limited to the available balance of your account.

Restrictions have been applied to 'Limited Access' Visa Debit Cards which are designed to prevent Visa online, phone and mail order (card not present) and limit the amount on Visa network transactions – however Auswide Bank cannot warrant that such restrictions will apply if your card is used fraudulently or the transaction is incorrectly processed by a merchant.

6.8 Verified by Visa

Verified by Visa is an external service that provides you with extra protection and security when you make a purchase from a participating retailer via the internet using your 'Full Access' Visa Debit Card.

The Verified by Visa service enables you to authenticate that you are communicating with us during an online shopping transaction and helps us to verify that it is you who is using your card online - before authorising the purchase. Just like entering a PIN at an ATM, you gain important added protection when shopping online.

You can register for this service online at anytime on our website www.auswidebank.com.au. Alternatively, you will be prompted to register during the checkout process when making an online purchase with a Verified by Visa retailer. Please note that from your first online shopping transaction with a Verified by Visa retailer, it will be mandatory for you to register or you will not be able to continue shopping online with these retailers using your Auswide Bank 'Full Access' Visa Debit Card.

6.8.1 Using the Verified by Visa service

- You will be required to use Verified by Visa to make purchases online with Verified by Visa retailers. However, Verified by Visa is only be available in connection with participating online merchants.
- When making an online purchase or other transaction for which Verified by Visa applies, you may be asked to provide certain information to allow your identity to be validated and to verify that you are the cardholder. The information that you provide may be validated against information we held about you and may be validated against information held by third parties with whom Visa has a relationship.
- If you are unable to provide the requested information to validate your identity, or if the information you provide is inaccurate or incomplete, or if the authentication process otherwise fails, the merchant may not accept your Visa Debit Card or payment for that transaction and you may be unable to complete an online transaction using your Visa Debit Card.
- In the event you have a question regarding the authentication process or a transaction using your Visa Debit Card, you should contact us.

6.8.2 Termination of Verified by Visa

The Verified by Visa service may be discontinued, terminated or suspended (permanently or temporarily) without giving you prior notice.

6.8.3 Verified by Visa participating online merchants

You will know that an online merchant is a participating online merchant because you will see the Verified by Visa logo and you may be asked to verify your identity before completing an online transaction with that merchant.

We do not endorse or recommend in any way any participating online merchant.

Your purchases or other dealings with merchants through Verified by Visa, including payment for and delivery of related goods or services not purchased via Verified by Visa, and any other terms, conditions, warranties or representations associated with such dealings, are solely between you and the merchant. Except as otherwise set out in our Terms and Conditions, we have no responsibility or liability whatsoever arising out of or related to those dealings or the online store's goods, services, acts or omissions.

6.8.4 Errors

If you believe a Verified by Visa transaction is wrong or unauthorised or a periodical statement contains any instances of unauthorised use or errors, you should contact us immediately.

6.9 Visa PayWave

Your Visa Debit Card includes Visa payWave contactless technology.

Visa payWave will help you spend less time at the register by allowing you to tap your card on a contactless POS terminal to make transactions through an embedded antenna in the card. Purchases can be made up to \$100 simply and securely and do not require a PIN. Contactless transactions over \$100 will be required to be authorised you're your PIN. The Visa payWave feature cannot be turned off however, the option to use Visa payWave is at the discretion of the cardholder.

6.9.1 Security of Visa payWave

Visa payWave enabled cards are as secure as any other Visa chip card. They carry multiple layers of security.

Visa payWave only works when the card is within 4cm of the card reader and the payWave terminal can only process one transaction at a time. Because your Visa payWave card doesn't leave your hand during the transaction, you remain in control of your card at all times. You should notify Auswide Bank promptly of any lost or stolen cards or of any unauthorised use of your Visa Debit Card.

Visa payWave transactions are backed by Visa's Zero Liability policy* (a guarantee from Visa that you will not be held responsible for fraudulent charges to your card).

*Visa Zero Liability policy does not apply to ATM transactions or transactions not processed by Visa.

There are limits on your liability for unauthorised use set out in sections 6.14 - Loss or Theft of a card or PIN, 6.15 - Your Liability for Unauthorised Transactions and section 6.19- Disputed Transactions.

6.10 Processing of instructions by Auswide Bank

Your account will be debited with, and you agree to pay to us:

- each purchase
- each cash withdrawal; and
- fees and charges payable under these terms and conditions

You agree that:

- the amount shown on a sales voucher or any other evidence of a purchase is sufficient evidence of the purchase

- the amount shown on a cash withdrawal voucher, receipt or any other evidence of a cash withdrawal is sufficient evidence of the cash withdrawal; and
- the above applies regardless of whether the voucher or other evidence is signed by you

We may assign any date it considers appropriate to a debit or credit to your account or may adjust any debit or credit for the purposes of correction.

6.11 Statements and currency conversions

We will forward you a statement for your account at least once every 6 months unless you arrange with us to receive one more frequently. If your account has a passbook attached, you will not receive statements and you should have your passbook updated regularly to check all entries.

Statements are available on your account at any time by either contacting a branch or using internet or phone banking.

A charge may apply for any additional statements over any free limits.

You can also check your account and transactions at anytime using internet, mobile or phone banking.

If your Visa Debit Card or card details are used to make transactions in a foreign currency, the way amounts are converted to Australian (AUS) dollars will be treated as follows:

- purchases, cash withdrawals, refunds and any other charges, incurred in currencies other than AUS dollars are converted to AUS dollars (directly from United States, Canadian, New Zealand and Singapore dollars, pound sterling, euros and Japanese yen or, if in a currency other than these currencies, first to US dollars) as at the dates they are processed by Visa International using exchange rates determined by them
- the exchange rates used by Visa International to convert a foreign currency transaction to \$AUS are wholesale market rates selected by Visa International from within a range of wholesale rates or the government-mandated rate, in effect 1 day prior to the Visa International Central Processing Date. The converted \$AUS amount, including the percentage charged for the currency conversion fee, will appear on your statement as the transaction amount.

An overseas transaction fee is charged to your account for all foreign ATM cash withdrawals.

Note: refunds incurred in currencies other than \$AUS are converted to \$AUS as at the date they are processed by Visa International using exchange rates determined by them. This often results in the refund being converted using a different exchange rate from the one used to convert the original purchase or cash withdrawal.

6.12 Protecting your card, PIN and other codes

Because anyone who has your Visa Debit Card and access code (including your PIN or other identifying number and/or password) can make transactions on your account, you must take special care to protect them. To protect your Visa Debit Card you must:

- sign it as soon as you receive it
- carry it with you whenever you can
- regularly check that you still have the card
- not give your card to anyone else, including a family member or friend

Your card and your PIN will be mailed to you separately. Your PIN will be a four-digit number allocated to you by us. You have the option of changing your PIN to one of your own choice at any time by visiting any ATM we own. If travelling overseas you will need to have a four-digit PIN. For the guidelines on safeguarding your PIN, please refer to section 5 - Electronic Banking Terms and Conditions.

6.13 Card re-issue

We may issue a new card to you at any time. All re-issued cards are subject to the terms and conditions of the card. We reserve the right not to re-issue a card.

6.14 Loss or theft of a card or PIN

You must immediately notify us if your card or PIN record is lost or stolen, or you suspect that unauthorised transactions have been made on any account. This enables us to put a stop on your card straight away preventing or minimising losses resulting from unauthorised transactions and your potential liability for such losses (refer to section 6.15 - Your Liability for Unauthorised Transactions).

The best way to contact us is by visiting a branch or calling us on 1800 072 111 if you are calling within Australia or +61 2 9959 7884 if you are calling from overseas.

We will give you a notification number or some other form of acknowledgement which you should retain as evidence of the date and time of your report. We may require you to confirm your report at a branch and complete certain documentation. Where a card is lost overseas you are responsible for the cost of a courier to send a replacement card and the card replacement fee.

6.15 Your liability for unauthorised transactions

Please note: For full details of your liability for losses resulting from unauthorised transactions, refer to section 5 - Electronic Banking Terms and Conditions. Your liability for losses is determined under the relevant provisions of the ePayments Code. For details of how to notify us about the loss or theft of your account, please refer to Section 6.14 - Loss or Theft of a Card or Pin.

6.16 Emergency card replacement and emergency cash

If your card is lost or stolen while you are overseas, you may request a Visa Debit Emergency Replacement Card via us or by calling the Visa International Service Centre (VISC) which is open 24/7 (visit www.visa-asia.com/ap/Subscription/gcas.jsp for toll free contact numbers). The card will be supplied to you as quickly as possible, usually within 3 business days depending on your location. You remain liable and responsible for the proper use of the Visa Debit Emergency Card and any transactions made using the Visa Debit Emergency Card or its card details.

Upon approval by us, if you require any emergency cash, VISC will arrange an Emergency Cash Disbursement for use until your permanent replacement card is received. Emergency cash can be provided at any of the thousands of Emergency Service Locations (ESL's) around the globe including a network of cash disbursement agencies such as Western Union.

6.17 New card details to your merchants

If your Visa Debit Card details are changed, for example as a result of a lost or stolen card you must request the merchant to change the details of your existing regular payment arrangement to ensure arrangements continue. If you fail to undertake this activity your regular payment arrangement either may not be honoured by us or the merchant may stop providing the goods/services.

6.18 What to do if you have a problem or complaint

We can help you with any problems you might have. Most problems can be solved by simply talking to our staff at your local branch, or alternatively you can contact us by:

phone: 1300 138 831

email: auswide@auswidebank.com.au

fax: (07) 4152 3499

mail: PO Box 1063
Bundaberg Qld 4670.

Full details of our complaint resolution process is available on our website at www.auswidebank.com.au.

6.19 Disputed transactions

A disputed transaction may include:

- an unauthorised Auswide Bank Visa Debit Card transaction - a transaction which you believe was not authorised by use of your Visa Debit Card
- a general dispute - a transaction which you wish to dispute. This may include a transaction which has been processed to your Visa Debit Card more than once, or a transaction which was authorised by the use of your Auswide Bank Visa Debit Card which you wish to dispute.

Despite notifying us of a disputed transaction you remain liable for any cash withdrawal or purchase made by using your Visa Debit Card.

6.19.1 Notification procedure for disputed transactions

You should immediately notify us of any disputed transaction. We recommend you promptly read each statement carefully as soon as you receive it. If applicable you may also wish to check your current transaction history via internet, mobile or phone banking.

Use the phone number printed on your statement or on the back of your Auswide Bank Visa Debit Card to report the disputed transaction. You must give us any information you have about how the disputed transaction occurred. We may require you to confirm details in writing.

6.20 Chargeback rights

The Visa card scheme has a dispute resolution process that is contained in its' operating rules and sets out the specific circumstances and timeframes in which a member of the scheme (eg. a financial institution can claim a refund in connection with a disputed transaction on your behalf. This is referred to as a "chargeback right".

This "chargeback right" does not apply to transactions at EFTPOS terminals accessing your nominated account using the "savings" or "cheque" option.

Our ability to investigate any disputed transaction on your Visa Debit Card, and subsequently process a chargeback is restricted by the time limits imposed under the operating rules for the Visa card scheme.

While your dispute is being investigated by us, the value of the disputed transaction will be withheld against your account until the dispute is resolved.

6.20.1 Timeframe for notifying us

Our ability to dispute a transaction on your behalf (where a chargeback right exists) may be lost if you do not notify us within the required timeframes.

For this reason, you must report any disputed transaction to us immediately or no later than 75 days after the date of transaction on your receipt. We will only process a chargeback for you when you have notified us of the disputed transaction within this required timeframe.

Where it can be shown that you have unreasonably delayed notifying us, you may be liable for the loss on any disputed transaction.

We will not accept a refusal of a chargeback by a merchant's financial institution unless it is consistent with the relevant Visa card scheme rules.

6.20.2 Electronic transactions

If the ePayments Code is applicable to a disputed transaction, the timeframes above may not apply in certain circumstances. The procedures for resolving disputed electronic transactions are set out in section 5 - Electronic Banking Terms and Conditions.

7.2 Internet and mobile banking

The internet and mobile banking service provides secure access to your accounts 24 hours a-day, 7 days-a-week, via a computer or mobile phone connected to the internet (eg. at your home or office) by accessing our website www.auswidebank.com.au

For your on-call deposit, line-of-credit access or business overdraft access accounts - use both internet and mobile banking to:

- check your account balance
- view or print your account transactions and details
- make free BPAY payments*
- register and receive bills electronically from participating billers via BPAY View
- transfer funds between your Auswide Bank accounts*
- make payments* to other Auswide Bank accounts under the same client number, or another client number,~ on a one off or regular basis
- make payments* to accounts at other financial institutions on a one-off or regular basis~
- view your periodical and pending payments
- set up new or delete ▲ pending payments
- change your internet and mobile banking Access Code.

and using internet banking:

- utilise SMS Two Factor Authentication (SMS 2FA), which is an SMS service to your mobile phone that generates a random number as a secondary form of authentication for higher value transactions and other specific services carried out through internet banking
- send secure emails to us for various requests eg. to modify or delete pending payments to your loan account from other Auswide Bank accounts, amend your internet banking daily transfer limit, the reordering of a cheque book or to place a stop on a personal cheque etc
- arrange a Batch Pay facility for a number of payments to be made to other Auswide Bank accounts or accounts at other financial institutions (eg. employee pays)
- import payroll (or other credit) files and process through the Batch Pay facility
- export account transactions from transaction listings to other financial packages - including Money, Quicken and MYOB

for your home and business loan - use both internet and mobile banking to:

- check your loan account balance
- view or print your loan account transactions and details (including, if applicable, any monthly benefit from a mortgage offset account)
- make payments to your loan account on a one-off or regular basis from other accounts* held under the same client number or another client number~
- change your internet and mobile banking Access Code

and using internet banking:

- check loan interest charged for the current and previous financial year
- send secure emails to us for various requests (some instructions may need to be received in writing with signatures)
- export loan account transactions from transaction listings to other financial packages - including Money, Quicken and MYOB

Note: Any payments made to other financial institutions after 4pm will be forwarded on the NEXT working day. Future dated payments with a date that is a non-working day will be paid the next working day after the specified date.

* Subject to restrictions on individual account type and cleared funds being available. ~ Subject to a daily transfer limit set by you.

▲ Except for payments directed to loan accounts.

When you apply to use internet and mobile banking you will be issued with your Client Number and an initial Personal Access Code. Your nominated Auswide Bank accounts will then be activated for use. Every time you use internet and mobile banking, you will need to enter your Client Number and Personal Access Code, after which you may transact on your account.

When you first use internet and mobile banking you must change your initial Personal Access Code to

your own preferred secret Access Code (of 4 to 6 digits) for security reasons. Always treat your Client Number and Personal Access Code as confidential information and do not disclose these numbers to anyone else. Your Personal Access Code may be changed at any time.

7.3 Applying

Telephone, internet and/or mobile banking is available upon application to approved customers. Details can be obtained from us upon request. When you apply to use these services and we accept your application, you will be provided with a client number, a list of the accounts you have requested to access and an initial Access Code.

7.4 Protecting your account using SMS secure

As an internet and mobile banking customer, you can help protect your deposited funds and security of your account by applying for Internet Banking SMS Secure. This free service provides you with the reassurance that funds in your Auswide Bank account/s are not being transferred to a new third party payee or that your contact details are not being changed online without your knowledge. Similarly, once registered, you will receive an SMS Secure code to authenticate online changes to your contact details such as your email or mailing address.

If you exceed our specified third party daily transfer limit, it is compulsory for you to adopt Internet Banking SMS Secure. If your third party daily transfer limit is below this specified amount, you may continue to initiate new third party payments - but without the added security of Internet Banking SMS Secure. You may wish to register for Internet Banking SMS Secure to ensure added security. Once registered for Internet Banking SMS Secure, you will then be sent an SMS Secure code as a text message to your nominated mobile phone whenever:

- funds are requested to be transferred to a new third party payee
- if "Add to Payee List" box on the internet banking payment page is ticked; or
- if the BSB or Account Number of an existing payee that has previously been authorised for SMS Payment Security is edited

Once a payee has been authenticated by SMS Secure, any subsequent payments to the same payee will not have to be authenticated using SMS Secure again.

7.5 Access

Phone banking: is designed to operate on a touch-tone telephone

Internet and mobile banking: has been designed to operate with most standard browsers available from time to time, including Internet Explorer, Firefox and Safari. However all browsers may not be supported and if you experience any difficulties please contact us. Our responsibilities are limited to our website and internet and mobile banking systems. You are responsible for your own personal computing equipment, mobile, telephone and connection to the internet.

You may request to cancel your phone, internet and/or mobile banking access to all or any account at any time by giving us written notice. We may terminate these services by sending you written notice.

You must log on to the services within 21 days of registration, otherwise your registration will be cancelled. For your protection, when you first use any of these services you will be asked to choose a new Personal Access Code to access your nominated account/s. You may also change your code on any subsequent occasion when you access the service.

For added security when using internet banking, you must enter your Access Code by typing in the alpha characters corresponding to each digit of your Access Code.

Any transactions will generally be processed to your account on the same day we receive your instructions if given before 5pm. Any transaction made after this time may be processed on the following business day. Account information accessed using phone, internet and mobile banking will generally reflect the position of the account at that time, except for transactions not yet processed.

7.6 Availability

You agree we are not responsible for any delays in acting upon instructions received from you which result from a temporary breakdown of, or interruption in the services, or any other circumstances beyond our reasonable control.

7.7 Security of your personal access code

To prevent unauthorised access to your account, you must keep your personal Access Codes safe. For security information on how you can safeguard your account, please refer to section 5.2 - Security Requirements You Must Take to Safeguard Your Code (PIN Access Codes etc).

7.8 Security of internet and mobile banking

We utilise a range of security measures from data encryption to firewalls to protect your transactions and accounts from unauthorised access.

The contents of your internet and mobile banking transactions are encrypted, protecting your password, account details and other sensitive information from being read by an unauthorised person. You are responsible for your own personal computer or mobile phone anti-virus and security measures to help prevent unauthorised access via internet or mobile banking to your transactions and accounts.

7.9 Instructions to us

We will issue a receipt number to you or an authorised user upon receipt of an instruction for funds transfer or bill payment transaction via phone, internet and mobile banking. Instructions will not be acted upon by us when they are not permitted by the terms and conditions of your account/s (eg. withdrawal of funds from loan accounts). When we have instructions for more than one payment from your account/s, it will determine the order or priority in which payments are made.

We may also assign any date we consider appropriate to a debit or credit you carry out. We may subsequently adjust debits and credits to accurately reflect the legal obligations of you and us. If we do this, we may make consequential changes (including interest charges).

Auswide Bank or another party such as a merchant may limit the amount of any electronic transaction you can make over certain periods (eg. during any day or in a single transaction). We may change any transaction limit or impose new transaction limits by giving you notice.

7.10 Mistaken internet payments

We recommend you promptly check your account to your updated passbook or statement of account. You may report a mistaken internet payment at any branch or by calling us, and we will investigate whether a mistaken internet payment has occurred.

If we are satisfied that a mistaken internet payment has occurred, we will send the receiving bank a request for return of the funds. If we are not satisfied that a mistaken internet payment has occurred, we will not take any further action.

We will inform you of the outcome of a reported mistaken internet payment in writing within 20 business days of the report being made.

Process if funds are available and report is made within 10 business days:

Where you report a mistaken internet payment within 10 business days of making the payment and:

- we and the receiving bank are satisfied that a mistaken internet payment has occurred; and
- we are advised by the receiving bank that there are sufficient credit funds available in the account of the unintended recipient to cover the payment

The receiving bank must forward the funds to us no later than 10 business days after receiving our request to return the funds.

Process where funds are available and report is made within 10 business days and 7 months:

Where you report a mistaken internet payment between 10 business days and 7 months after making the payment and:

- we and the receiving bank are satisfied that a mistaken payment has occurred
- we are advised by the receiving bank that there are sufficient credit funds available in the account of the unintended recipient to cover the payment; and
- the receiving bank prevents the unintended recipient from withdrawing the funds for 10 business days and during this period the unintended recipient does not establish that they are entitled to the funds

The receiving bank must forward the funds to us within 2 business days of the expiry of the 10 business days period referred to above.

Process if funds are available and report is made after 7 months:

Where you report a mistaken internet payment more than 7 months after making the payment and:

- we and the receiving bank are satisfied that a mistaken payment has occurred
- we are advised by the receiving bank that there are sufficient credit funds available in the account of the unintended cover the payment; and
- the unintended recipient consents to return of the funds

The receiving bank must forward the funds to us.

Process following recovery of funds

If the receiving bank recovers the funds from the unintended recipient and forwards the funds to us, we will return the funds to you as soon as practicable.

If the receiving bank is unable to recover the funds from the unintended recipient, you will be liable for losses arising from the mistaken internet payment.

7.11 Unintended recipients

If you receive a mistaken internet payment into your account and we, as receiving bank are required to forward the funds to the payer's authorised deposit-taking institution, you authorise us to withdraw the funds from your account and return the funds to the payer's authorised deposit-taking institution.

7.12 Complaints about mistaken internet payments

A user who reports a mistaken internet payment can complain to us about how the report is dealt with. We will deal with the complaint in accordance with section 5.13.

8. BPAY TERMS AND CONDITIONS

BPAY® is the nationwide electronic bill payment service that allows you to pay bills (to billers who have a BPAY Biller Number) from any approved transaction, savings or on-call investment account, line-of-credit access account, or term deposit (wherever cleared funds are available). BPAY may be used:

- over the counter at your local branch
- through phone, internet and mobile banking

You can also arrange to make future bill payments for regular and one-off amounts using BPAY.

Thousands of biller organisations across Australia now offer BPAY as a payment method. These include local councils, gas, power and water utilities, schools, universities, finance companies, stock brokers, real estate agents, health funds, insurance and superannuation funds, phone and internet providers, pay TV providers, software distributors, golf clubs and plant nurseries.

You may also register and receive bills electronically via internet or mobile banking from participating billers (such as Telstra and Ergon Energy) through BPAY View - refer to section 9.

We are a member of the BPAY scheme and we will tell you if this arrangement was to cease.

You must comply with the terms and conditions for the account which you ask us to debit a BPAY payment (to the extent that those terms are not inconsistent with or expressly overridden by these additional terms and conditions).

We may suspend your right to participate in the BPAY Scheme at any time if you or someone acting on your behalf breach our Terms and Conditions or we suspect you of being fraudulent.

8.1 Information you must give us

To make a valid BPAY payment the following information must be given to us:

- your client number and access code
- the account from which the payment is to be made
- the Biller Code from the bill
- your customer reference number (eg. your account number) with that biller; and the amount you want to pay.

8.2 Processing your payment

Once this information is provided, we will treat your instructions as valid and will debit the relevant account. We will not be obliged to effect a BPAY instruction if it is not made in accordance with these Terms and Conditions or if the information given is incomplete and or inaccurate.

Generally a BPAY payment will be treated as received by the biller to whom it is directed:

- on the date we are told to make the payment if this occurs before 5pm EST on a business day (of whatever cut-off time as determined by us from time to time); or
- on the next business day

A delay may occur in processing a BPAY payment where:

- there is a public or bank holiday on the day after you tell us to make a BPAY payment
- you tell us to make a BPAY payment after the cut-off time; or
- another participant in the BPAY scheme, such as another financial institution or a biller, does not process a payment as soon as it receives details of the payment, or does not otherwise comply with its obligations under the BPAY scheme

While it is expected that any such delay will not continue for more than one banking business day, it may continue for a longer period. We will attempt to ensure a BPAY payment is processed promptly by billers and other participants in the BPAY scheme.

You should check your account records carefully and advise us immediately if you become aware of:

- a BPAY payment which has been made from your account which was not authorised
- the possibility that you have been fraudulently induced to make a BPAY payment; or
- any delay or mistake in processing of your BPAY payment

If we are advised by a biller that it cannot process your BPAY payment, we will:

- advise you of this
- credit your account with the amount of that BPAY payment; and
- tell you how we can assist you, if possible in making the payment as soon as possible

You are not authorised to give a biller code to any person in order to receive payments owing to you.

Biller codes may only be used by authorised billers to receive payments of bills issued by that biller. The terms and conditions of use of BPAY will not apply to any use by you of biller codes in this way.

8.3 Liability under the Bpay scheme

You should note the following:

- if you advise us that a BPAY payment made from a account is unauthorised, you should first give us your written consent to obtain from the biller, information about your account with that biller of the BPAY payment, (including your customer reference number) as we reasonably require to investigate the BPAY payment. This should be addressed to the biller who received the BPAY payment. If you do not do this, the biller may not be permitted by law to disclose to us the information we need to investigate or rectify that BPAY payment; and
- if you discover that the amount you instructed us to pay was less than the amount you needed to pay you can make another BPAY payment for the shortfall. If you cannot do this because the shortfall amount is less than the minimum amount the biller will accept, you can ask us to arrange for a reversal on the initial payment. You can then make a second payment for the correct amount. If you discover that the amount you instructed us to pay was more than the amount you needed to pay, you can ask us to request a reversal of the initial payment from the biller on your behalf, and if this occurs, you can make a second payment for the correct amount.

Our liability

If you are liable for an unauthorised or fraudulent payment under this “Liability under the BPAY scheme” section or as a result of a BPAY billing error and the ePayments Code applies, then your liability is limited to the lesser of:

- the amount of that unauthorised or fraudulent payment; or
- the limit (if any) of your liability set out under “Unauthorised Transactions”

If the latter applies, we will be liable to you for the difference between the amount for which you are liable and the amount of the unauthorised or fraudulent payment.

BPAY payments

Except where a BPAY payment is an Unauthorised payment, a Fraudulent payment or a Mistaken payment, BPAY payments are irrevocable. No refunds will be provided through the BPAY scheme where you have a dispute with the biller about any goods or services you may have agreed to acquire from the biller. Any dispute must be resolved with the biller.

Unauthorised payments

If a BPAY payment is made in accordance with a payment direction, which appeared to us to be from you on your behalf, but which you did not in fact authorise, we will credit your account with the amount of that unauthorised payment. However, you must pay us the amount of the payment if:

- we cannot recover the amount from the person who received it within 20 banking business days of us attempting to do so; and
- the payment was made as a result of a payment direction which did not comply with our prescribed security procedures.

Fraudulent payments

If a BPAY payment is induced by the fraud of a person involved in the BPAY scheme, then that person should refund you the amount of the fraud-induced payment. However if that person does not refund you that amount, you must bear the loss unless some other person involved in the BPAY scheme knew of the fraud or would have detected it with reasonable diligence, in which case that person must refund you the amount of the fraud induced payment.

Mistaken payments

If you discover that a BPAY payment has been made to a person, or for an amount, which is not in accordance with your instructions (if any) and your account was debited for that payment amount, we will credit the amount to your account. However, if you were responsible for a mistake resulting in that payment and we cannot recover the amount of that payment from the person who received it within 20 banking business days of us attempting to do so, you must pay that amount to us.

You acknowledge that the receipt by a biller of a mistaken or erroneous payment does not or will not, under any circumstances, constitute part or whole satisfaction of any underlying debt owed between you and that biller.

8.4 Consequential loss

We are not liable for any consequential loss or damage you suffer as a result of using the BPAY scheme, other than due to any loss nor damage you suffer due to our negligence or in relation to any breach of a condition or warranty implied by law in contracts for the supply of goods and services and which may not be excluded, restricted or modified at all or only to a limited extent.

8.5 Indemnity

To the extent permitted by law, you indemnify us against any loss or damage we may suffer due to any claim, demand or action of any kind brought against us arising directly or indirectly because you:

- did not observe your obligations under; or
- acted negligently or fraudulently in connection with these Terms and Conditions

8.6 Access to account information

Account information obtained by phone, internet and mobile banking will reflect the position of the account at that time, except for payment instructions made after the BPAY payment or payment cut-off time on the previous business day, which may not be processed until the close of business on the next business day.

9. BPAY VIEW TERMS AND CONDITIONS

9.1 Registering for BPAY View

Your registration of internet banking (refer section 7) allows you to use internet banking to register online to receive bills via the BPAY View® service

© Registered to BPAY Pty Ltd ABN 69 079 137 5187.6

If you register to receive your bills through BPAY View, you:

- agree to our disclosing to billers nominated by you:
 - such of your personal information (eg. your name, email address and the fact that you are our customer) as is necessary to enable billers to verify that you have registered to receive bills and statements electronically using BPAY View (or telling them if you cease to do so); and
 - such of your transactional information as is necessary to process your BPAY Payments and you or any user's use of BPAY View
- agree to us or a biller (as appropriate) collecting data about whether you access your emails, our website and any link to a bill or statement
- state that, where you register to receive a bill or statement electronically through BPAY View you are entitled to receive that bill or statement from the applicable biller

- agree to receive bills and statements electronically and agree that receipt by you of bills and statements electronically in accordance with these Terms and Conditions satisfies the legal obligations (if any) of a biller to give you bills and statements - for the purposes of this clause we are authorised to convey your agreement to each biller nominated by you; and
- must notify us if any of your personal information changes and you consent to us disclosing your updated personal information to all other participants in the BPAY scheme. You can request access to your information held by us BPAY Pty Ltd or its agent, Cardlink Services Limited.

You may receive from the applicable biller, paper bills or statements instead of electronic bills or statements:

- at your request to a biller (a fee may be charged by the applicable biller for supplying the paper bill or statement to you if you ask for this in addition to an electronic form)
- if you or the biller deregister from BPAY View
- if we receive notification that your mailbox is full, or that you cannot receive any email notification of a bill or statement
- if our email to you is returned undelivered eg. if your email address is incorrect or cannot be found
- if we are aware that you are unable to access your email or our internet banking or a link to a bill or statement for any reason
- if any function necessary to facilitate BPAY View malfunctions or is not available for any reason for longer than the period specified by the applicable biller
- unless we are also the applicable biller, we accept no liability to provide you with a paper bill or statement in any of the above circumstances but we will use reasonable endeavours to advise the applicable biller of the circumstances unless they are already known to it.

You agree that when using BPAY View:

- if you receive an email notifying you that you have a bill or statement, then that bill or statement is deemed to have been received by you:
 - when we send the email to your server, whether or not you choose to access your email; and
 - at the email address nominated by you
- you will not be deemed to have received the email if we receive notification that your mailbox is full, or that you cannot receive the email, or the email notification to you is returned to us undelivered if you receive notification on our internet banking site without an email then that bill or statement is received by you
 - when a notification is posted on our internet banking site whether or not you choose to access our internet banking site; and
 - at our internet banking site
- bills and statements delivered to you, unless deleted by you, remain accessible via our internet banking for the period determined by the biller up to a maximum of 18 months, after which they will be deleted, whether paid or not - however if you do not use internet banking for six months we may determine that you are inactive and may delete the bills and statements at any time from that determination
- you will contact the biller direct if you have any queries in relation to bills or statements
- another authorised user may be able to view electronic bills or statements from billers registered by you if that authorised user shares access to your account.

You must:

- check your emails or our internet banking site at least weekly
- tell us if your contact details (including email address) change
- tell us if you or any user are unable to access your email, our internet banking, a link to a bill or statement for any reason; and
- ensure your mailbox can receive email notifications (eg. it has sufficient storage space available).

Note:

Any reference to **“includes”** is given by way of example and is not intended to limit the term it applies to. We may exercise our discretions in any manner we think fit.

The parties say that it is their intention that, in the interpretation of these terms and conditions:

- if possible words which have an ordinary meaning are given that meaning
- these terms and conditions are to be interpreted broadly
- if a general term is used, it must be given a broad meaning; and
- general terms must not be limited because of any rules of interpretation.
