

08 April 2014

An active member of our community

At Wide Bay Australia we are taking our commitment to actively supporting the community - literally. We have taken on naming rights of the 3 year old Ring Road Run and with this partnership staff are looking forward to getting their running shoes on and participating in the event.

Managing Director of Wide Bay Australia Martin Barrett said "Wide Bay is delighted to support this important event that is focused on fitness and health in our community. We know this is also an important social event for the region and look forward to putting a team together ourselves. Wide Bay Australia continues to support local events & organisations in a far more significant way than our other competitors. We are definitely dedicated to supporting the local community thanks to the support of our customers and shareholders".

Wide Bay Australia are committed to the communities we serve and have built our reputation around a true community banking philosophy. Supporting local events such as the Wide Bay Australia Ring Road Run brings benefits not only to the event and the local community as a whole, but also to our staff and customers.

Registrations are now open and we encourage our customers to look out for the exclusive registration deal we are offering during the month of April. The event will be held in Bundaberg on the **08 June 2014**. For further information about the event visit www.ringroadrun.com.au
