Auswide Bank launches 3.99% home loan rate

- **One of Australia's leading home loan offers!**
- **Home loan package has been nationally recognised by CANSTAR for outstanding value**
- **Available for purchase, construction or refinance either direct or via accredited mortgage brokers**

Auswide Bank today launched a new variable home loan interest rate of 3.99%p.a. available through its retail and national broker channels.

Martin Barrett, Auswide Bank Managing Director said this is the newly rebranded bank's lowest advertised home loan rate ever.

The offer is available for purchase, construction and refinance purposes on new principal and interest home loans of \$150,000 for LVR's up to 90% and comes with a fully featured home loan and package of benefits.

"This is not a 'basic' loan. Our offer has been independently assessed as offering outstanding value and was recently awarded a five-star rating by the independent CANSTAR Home Loan Star Ratings - the highest rating available."

"It includes a 100% offset account and the ability to fix when you want to. Our Freedom Package offers savings on banking & credit card fees and provides home and car insurance discounts."

Our 3.99% offer again proves Auswide Bank is providing a competitive, if not superior, home loan offer compared to the bulk of our competitors, including the major banks.

"Whether you are buying, building or looking to refinance away from another lender that you are unhappy with, we invite you to talk directly to one of our lenders about your needs on 1300 138 831 or contact a mortgage broker who is accredited with us."

Small things. Big difference.
