Mobile banking at your fingertips

- **Auswide Bank releases new Smartphone app**
- **New mobile banking experience**

Auswide Bank announced today the release of a new Smartphone app allowing customers an easy and fast way of connecting to Australia's newest bank.

The new app will allow Auswide Bank customers to enjoy enhanced online banking from anywhere, anytime. Features include a Balance Peek tool that allows customers to do a quick balance check without the need to login at all. Customers can also view account transactions, make free BPAY® payments, transfer funds between Auswide Bank accounts & make payments to other financial institutions.

Auswide Bank's new Smartphone app can be downloaded for both Apple and Android mobile phones and incorporates powerful functionality and user experience capabilities. This new app, is intuitive, easy to use, secure and can be delivered seamlessly across most mobile devices.

"It's all about making it easier for our customers. Our new app has some fantastic upgrades including a customer's account balance information readily at their fingertips wherever they are. Transferring money while on the go has become simpler and more convenient. Locating an Auswide Bank branch or ATM, accessing borrowing & savings calculators or keeping up on Auswide Bank news has also become even more accessible. This is another step that will help us to deliver on our growth and service strategies" said Mr Martin Barrett, Managing Director, Auswide Bank.

Features for non-Auswide Bank customers include access to loans and savings calculators, news and other features.

To download the Auswide Smartphone App simply visit [Google Play](#) or the [App Store](#)

Small things. Big difference.

IMPORTANT NOTE: If you are not already an internet banking & SMS Secure customer then it is important that you first apply for [Auswide Bank Internet Banking & SMS Secure](#). This can be done at Auswide Bank's website or at a branch.
