Auswide Bank offers one of Australia's Best Value home loan packages

Moza awards Auswide Bank's Freedom Package 'Best Value Home Loan' Award.

Financial comparison website Moza.com.au has recognised Auswide Bank's Freedom Package as one of the best value home loans in Australia.

In an independent analysis for its Experts Choice Home Loan Awards, Auswide Bank has been recognized as one of the home lenders that is leading the pack in terms of the value they deliver to home loan customers.

Chief Customer Officer, Damian Hearne, said the Best Value Home Loan Award is a testament to the focus Auswide Bank places on providing products that deliver great value to its customers. "Our home loan customers are experiencing this value first hand and as a result we have had a record number of loan approvals over recent months."

"Our Freedom Package offers great benefits including discounted home loan interest rates and fees, discounts of home & car insurance, savings on account & everyday banking and no annual credit card fee - just to name a few."

Kirsty Lamont from Moza.com.au said this year's winners have earned a spot among the top 10 per cent of home loans in each Award category.

"This is no small feat given that our banking experts reviewed over 500 home loans from 89 lenders. Home loan repayments are often the biggest hit on the household budget and this is why it's so important for borrowers to know where to look to ensure they're getting the best deal possible. Switching to a better value lender can save big bucks over the life of the loan."

Mr Hearne invited potential new home borrowers and people wishing to switch their existing mortgage to consider an obligation free consultation with an Auswide Bank home loan specialist, "even it is just to compare with what you are paying now."
