Interest Rates that get you into your home sooner!

- **Auswide Bank delivers small interest rates that mean a big difference for home owners.**
- **Great interest rates available for residential owner occupied loans for purchase or refinance.**

They say home is where the heart is and with Auswide Bank today announcing new home loan offers on variable and fixed rate home loans owner occupiers could make big savings on their home loan.

These great interest rate offers are available for new residential owner occupied loans used for purchase or refinance.

The owner-occupied offer includes a discounted variable rate of 3.69%pa - a 'life of loan' discount of 1.74% pa off the standard variable reference rate. It is available on new 'principal & interest' home loans of \$150,000 or more with loan-to-valuation ratios of up to 90%. It is not available for pre-approvals, investment, 'interest only', construction or non-resident lending.

A discounted 3 year fixed rate of 3.69%pa is also available for owner-occupiers who take up a new home loan without an offset account. An added benefit of the offer is additional payments are allowed and an online redraw facility is also available.

Damian Hearne, Chief Customer Officer said "Auswide Bank continues to demonstrate the power of small by delivering award winning owner occupied home loan packages."

"With a new financial year upon us we are excited to lead with significant discounts on our award winning Freedom Package home loans. These special interest rate offers are available on new home loans or for borrowers seeking a better deal than what they are getting with their existing lender. Simply compare these rates to those offered by other banks and you can see that they are some of the strongest offers in the market."

Small things. Big difference.
