

Accept Credit and Debit Payments the Way Your Customers Want to Pay

Secure | Fast | Reliable

Ingenico Move 5000 Payment Terminal

A Three-in-One EFTPOS Solution: Mobile | Countertop | Integrated

A terminal that is simple
but smart!

Ideal for:

On-the-go

Mobile Payments – Accept card payments wherever your customers are, whether that's in your practice or on the move through 4G/3G or Wi-Fi.

Countertop

Connect through Ethernet. Best for medical, dental and veterinary practices.

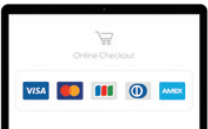

Integrated POS

Certified with Linkly (formerly PC EFTPOS) and integrated with over 500 existing point-of-sale (POS) systems

Unlike any other merchant solutions provider in Australia, we offer our clients a combination of:

Global Leadership

No. 1 Merchant Acquirer

No. 1 Issuer Processor

No. 1 Transaction Processor in International Markets

Tailored products to suit your business needs

We offer flexible options that include customisable products, personalised business branding on receipts, terminals and screens and tiered-pricing plans. Whether you're a small, medium or large organisation, we make your payments run smoothly, so you can focus on managing and growing your business.

Global experience and 30+ years of local expertise in merchant solutions

Our aim is to always deliver market-leading payment solutions that are locally relevant to your business, while tapping into international best practices and innovation.

We offer our clients a comprehensive range of payment processing solutions designed to drive greater in-store and online customer traffic. A 24/7 Help Desk, 99.99 percent scheduled switch up-time, PCI compliance and easy access to our online account management tool are a few examples of the ways we add value for our clients.
