

This form is to be used where a family member or a friend has passed away. This form allows the executor(s), administrator(s) or immediate next-of-kin to notify Auswide Bank of the death of a customer. We will normally be unable to transact with you until you provide Probate or Letters of Administration. When they are available, please also complete our Finalising a Deceased Estate (if a valid will is available) or (if no valid will is available) form.

An **original or certified copy of our customer's Death Certificate** should be submitted with this form.
