International Transaction Fees

We charge you an International Transaction Fee of 3.4%, debited to your Account on the Transaction Date, of which a service and assessment fee of 1.1% is payable by us to Mastercard, for any Retail Purchase or Cash Advance transaction in:

- foreign currency once converted to Australian dollars; and/or
- Australian dollars (or any other currency), when either the merchant or its financial institution/payment processor is located or registered overseas, including transactions that involve dynamic currency conversion (that is where a transaction denominated in a foreign currency is converted to local currency which is a service that is offered by certain ATMs and merchants). The process of conversion and the exchange rates applied will be determined by the relevant ATM, merchant or dynamic currency conversion service provider as the case may be. We do not determine whether a Card transaction will be converted into local currency by the merchant or ATM and you may have to check with the relevant merchant or ATM provider.

Note: It may also not always be clear that the merchant or its financial institution/payment processor is located or registered outside Australia.
